MR Gary Gleeson
14A - Maxwell St ST
MONA VALE NSW 2103

RE: DA2021/1771 - 13 Maxwell Street MONA VALE NSW 2103

We are almost directly opposite the proposed development & are possibly concerned about the height of the second story in the proposed development. Our only view of trees, etc, is west over the top of the existing roof of the proposed development. A second floor will more than likely block this view completely. Otherwise I have no other issues.
