STATUTORY PROVISIONS

Warringah Local Environmental Plan (LEP) 2011

- 6.1 Principal Development Standards
  - 6.1.1. Height of Buildings (LEP Clause 4.3)
- 6.2. Additional Local Provisions
  - 6.2.1. Acid Sulphate Soils (LEP Clause 6.1)
  - 6.2.2. Earthworks (LEP Clause 6.2)
  - 6.2.3. Flood Planning (LEP Clause 6.3)
  - 6.2.4. Development on Sloping Land (LEP Clause 6.4)
  - 6.2.5 Coastline Hazards (LEP Clause 6.5)

## **07** POLICY PROVISIONS

Warringah Development Control Plan (DCP) 2011

**08** EP & A ACT - SECTION 79C 09 CONCLUSION

### **01** Property Description

The subject property legally identified as Lot 26 Section 5 within DP 12985 and is known as 39 Cumberland Avenue, Collaroy. The site is zoned R2 Low Density Residential pursuant to Warringah Local Environmental Plan 2011. Although the site is not identified as containing any items of environmental heritage the site located within a bush fire prone land and area D within the development on sloping land map.

### 02 Site Description

The site is legally identified as Lot 26 Section 5 within DP 12985 and is known as 39 Cumberland Avenue, Collaroy. The site is located on the Southern side of Cumberland Avenue. The site has an area of 682.8m² and is rectangular in shape with a street frontage (front boundary) of 14.935 meters to Collaroy Avenue. The Eastern boundary (side boundary) has a length of 45.725 meters, the Southern boundary (rear boundary) has a length of 14.935 meters and the Western boundary (side boundary) has a length of 45.725 meters.

The site slopes from North to South.

Fig 1: Subject site outlined in red (Google maps 2020).

The property currently accommodates a three storey dwelling with a single car garage. The existing house is constructed in brick veneer and has a metal sheet roof.

Other site works include a concrete driveway, a paved front porch, timber entertaining area in the rear yard as well as off the northern façade of the building and a pool in the rear yard.

Fig 2: 39 Cumberland Avenue, as seen from the street. (Action Plans 2020).

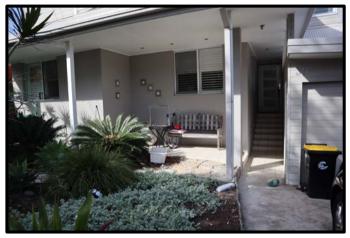

Fig 3: Paved front porch area. (Action Plans 2020).

Fig 4: View from rear yard. (Action Plans 2020).

## **03** Adjoining Property

The surrounding area predominantly consists of single or two storeys residential dwellings. The adjoining property to the East, 41 Cumberland Avenue, is a two storey brick residence with a tile roof and vehicular access from Cumberland Avenue. To the West, 37 Cumberland Avenue, is a two storey brick and clad residence with tiled roof. The property has vehicular access from Cumberland Avenue.

Fig 5: No. 41 Cumberland Avenue as seen from Cumberland Avenue (Google maps 2020).

Fig 6: No. 37 Cumberland Avenue as seen from Cumberland Avenue (Google maps 2020).

# 04 Description of proposed Works

The proposal seeks consent for alterations and additions to the existing dwelling at No. 39 Cumberland Avenue.

The proposed works include:

- Timber deck to in rear yard to be remediated and extended
- Roof over alfresco
- Proposed front porch
- Proposed front fence and path way
- Internal reconfiguration on lower ground, ground and first floor.
- Balcony on first floor level.

Fig 7: Proposed works at No. 39 Cumberland Avenue, Collaroy. (Action Plans 2020).

## O5 Area and Compliance Summary

Site Information and Building Controls	Control	Existing	Proposed
Zoning	Zone R2	Zone R2	Unchanged
Site area	600m <sup>2</sup>	682.8m <sup>2</sup>	Unchanged
Frontage	12.19m	14.935m	Unchanged
Number of stories	Two storey	Three storey	Unchanged
Maximum building height	8.50 meters	9.3 meters	Unchanged
Front Building Setback	6.5m	7.340 m	6.5 m
Rear Building Setback	6.0m	22.271m	Unchanged
Min. side boundary setback (East)	0.9m	1.117m	Unchanged
Min. side boundary setback (West)	0.9m	0.785m	Unchanged
Landscaping Open Space:	40% (273.12m²)	35% (237.52m²)	35% (239.9m²)
Private Open Space	60m²	274.42m <sup>2</sup>	Unchanged

## **06** Planning Assessment

#### STATUTORY PROVISIONS

#### Warringah Environmental Plan (WLEP) 2011

#### Permissibility

The site is zoned R2 Low Density Residential pursuant to the land use table of The Warringah Local Environmental Plan 2011. The proposed works being alterations and additions to the existing dwelling are permissible with development consent.

The proposal satisfies the objectives of R2 Low Density Residential as the proposal for alterations and additions to a single dwelling which maintains the low density residential environment and does not adversely affect adjoining properties, the landscape setting of the existing dwelling or the streetscape.

#### 6.1 Principal Development Standards

#### 6.1.1. Height of Buildings (WLEP Clause 4.3)

Pursuant to Clause 4.3 the maximum height requirement is 8.5 meters. The proposal does not alter the height of the existing building.

#### Response to the objectives of this clause:

The proposal is an appropriate form of development, which is compatible with the height and scale of the surrounding development. The proposal does not result in any significant visual impacts upon adjoining neighbouring properties and does not adversely affect visual privacy of adjoining properties. The proposal is consistent with the objectives of Clause 4.3 of the Warringah LEP 2011.

PHONE NUMBER: 0403 957 518 WEB ADDRESS: www.actionplans.com.au EMAIL: Design@actionplans.com.au Page 7

#### 6.2. Additional Local Provisions

#### 6.2.1 Acid Sulphate Soils (LEP Clause 6.1)

The site is not identified as having acid sulphate soils on the Acid Sulphate Soils map.

#### 6.2.2 Earthworks (LEP Clause 6.2)

The proposal does not require extensive earthworks. Minimum excavation is required to allow for the frame of the proposed timber deck within the rear yard and also the front porch.

#### 6.2.3 Flood Planning (LEP Clause 6.3)

Not applicable.

#### 6.2.4. Development on Sloping Land (LEP Clause 6.4)

The subject site is identified as a landslide risk on the Landslide Risk Map as Area D – Slopes between 5 - 15 degrees. A preliminary assessment of lands will need to be produced to determine if a Geotechnical report is required for this proposal.

#### 6.2.5 Coastline Hazards (LEP Clause 6.5)

Not applicable.

### 07 RESPONSE TO THE WARRINGAH DCP 2011

#### 7.1 Compliance table

Existing Site Area = 682.8m <sup>2</sup>			
DCP COMPLIANCE TABLE SECTION A - Part 4 Dwelling houses			
Development control	Proposed	Complies	
Part B – Built Form Controls			
B1 – Wall Heights  Walls are not to exceed 7.2 meters from ground level (existing) to the underside of the ceiling on the uppermost floor of the building (excluding habitable areas wholly located within a roof space).	The proposed walls within this proposal do not alter the existing height.	Yes	
B2 – Number of Storeys	Not identified on map.	Not applicable.	
B3 – Side Boundary Envelope  Buildings must be sited within a building envelope determined by projecting planes at 45 degrees from a height above ground level (existing) at the side boundaries of 4 metres as identified on the map.	Proposed elements within the permissible site boundary envelope.	Yes	
B4 – Site Coverage	Not applicable.	Not applicable.	

PHONE NUMBER: 0403 957 518 WEB ADDRESS: www.actionplans.com.au EMAIL: Design@actionplans.com.au Page8

B5 – Side Boundary Setbacks Minimum 0.9 metres	East = 1.117meters unchanged	Yes The setback along the Eastern side boundary is unchanged with this proposal.
	West = 0.785 meters unchanged	<b>No</b> The setback along the Western side boundary is unchanged with this proposal.
B6 – Merit assessment of Side Boundary Setbacks	Not applicable.	Not applicable.
B7 –Front Boundary Setback Minimum 6.5 metres	7.340 meters 6.5 meters	Yes The proposed front setback is compliant.
B8 – Merit assessment of front boundary setbacks	Not applicable.	Not applicable.
B9 - Rear Boundary Setbacks Minimum 6.0 metres	22.271 meters Unchanged	Yes All proposed works are located behind the rear setback.
B10 – Merit Assessment of Rear Setbacks	Not applicable.	Not applicable.
B11 – Foreshore Building Setback	Not applicable.	Not applicable.
B12 – National Parks Setback	Not applicable.	Not applicable.
B13 – Coastal Cliffs Setback	Not applicable.	Not applicable.
B14 – Main Roads Setback	Not applicable.	Not applicable.
Part C – Siting Factors		
C1 – Subdivision  1.R2 Low Density Residential zone requirements: Proposed new allotments: a) Minimum width: 13 metres b) Minimum depth: 27 metres; and c) Minimum building area: 150m2	Not applicable	Not applicable
C2 – Traffic, Access and Safety  Vehicular crossing to be provided in accordance with Council's Vehicle Crossing Policy. Vehicle crossing construction and design is to be in accordance with Council's Minor works specification.	Not applicable	
C3 – Parking Facilities  Garage doors and carports are to be integrated into the house design and to not dominate the façade. Parking is to be located within buildings or on site. Parking is to be located so that views of the street from front windows are not obscured; and where garages and carports face the street, the garage or carport opening must not exceed 6 metres or 50% of the building width, whichever is the lesser.	Not applicable	Not applicable
C4 – Stormwater  To be provided in accordance with Council's Stormwater Drainage Design Guidelines for Minor Developments & Minor Works Specification.	All collected stormwater within the proposal to drain to the existing drainage system.	Yes

PHONE NUMBER: 0403 957 518 WEB ADDRESS: www.actionplans.com.au EMAIL: Design@actionplans.com.au P a g e 9

C5 – Erosion and Sedimentation	Soil and Water Management required.	Yes A Soil Erosion Management Plan has been prepared and is included in the submission to Council.
C6 - Building over or adjacent to Constructed Council Drainage Easements The objective of this policy is to ensure efficient construction, replacement, maintenance or access for emergency purposes to constructed public drainage systems located within private property.	Proposed works are not over or adjacent to constructed council drainage easements.	Yes
C7 - Excavation and Landfill  Land excavation or fill work should not have an adverse effect upon the visual and natural environment or adjoining and adjacent properties, or create airborne pollution.  The integrity of the physical environment should be preserved, as well as the visual and scenic quality.	extensive earthworks. Minimum excavation is required to allow	Yes
C8 – Demolition and Construction Waste management plan required.	Refer to the Site/Sediment Erosion, Waste management and materials handling Plan DA02.	Yes
C9 – Waste Management Waste storage area to be provided.	Refer to the Site/Sediment Erosion, Waste management and materials handling Plan DA02.	Yes

Part D	- Design		
Min	ndscaped Open Space and Bushland 1 40% Landscaped Area to be maintained.	space measures 35% (237.52m²). The proposal increase this by 2.38m² and measures 35% (237.52m²).	No Although the proposal does no meet the numerical values set out in this clause, it is of our opinion that it still meets the objectives. No existing trees will be removed from site. Hedges are to planted on either side boundary as a form a privacy and the new works will not impact on site water management.
Dw	vate Open Space velling houses with 3 or more bedrooms on 60m² with minimum dimension = 5m.	The Private Open Space Area is 274.42m² and is not altered within the proposal.	Yes
D3 - No	ise	Mechanical noise is to be attenuated to maintain adjoin unit amenity. Compliance with NSW Industrial Noise Policy Requirements	Not applicable.
D4 – Ele	ectromagnetic Radiation	Not applicable.	Not applicable.

### 08 EP & A ACT - SECTION 79C

#### The Provisions of any Environmental Planning Instruments

The proposal is subject to the provisions of the Warringah Local Environmental Plan 2011. The site is zoned R2 Low Density Residential under the provisions of the LEP.

Construction of alterations/additions to the existing dwelling house is permissible with the consent of Council in this zone. It is considered that the provisions of this document have been satisfactorily addressed within this report and that the proposal complies with the relevant provisions.

There are no other environmental planning instruments applying to the site.

#### The Likely Impacts of the Development

It is considered that the development will provide for alterations/additions to an existing dwelling without any detrimental impact on the environment, social and economic status of the locality.

#### The Suitability of the Site for the Development

The subject site is zoned R2 Low Density Residential and the construction of alterations/additions to an existing dwelling house in this zone is permissible with the consent of Council. The resultant dwelling is of a bulk and scale that is consistent with the existing surrounding development. For these reasons it is considered that the site is suitable for the proposed development.

#### The Public Interest

It is considered that the proposal is in the public interest in that it will provide for alterations/additions to an existing dwelling that is consistent with other development in this locality without impacting the amenity of the adjoining properties or the public domain.

### 09 CONCLUSION

Following a review of the relevant planning controls, it is concluded that the proposed development is consistent with the objectives, planning strategies and detailed controls of these planning documents with the exception of those discussed in detail previously in this statement. Consideration has been given to the potential environmental and amenity impacts that are relevant to the proposed development and this report addresses these impacts. Having regard to the benefits of the proposal and taking into account the absence of adverse environmental, social, economic, or heritage related impacts, the application is submitted to The Warringah Council for assessment and granting of development consent.
