Installation Bowling Green Harbord Diggers

Dear Sir,

I have been a resident of Freshwater for 38 years, I have also been a playing member of the Harbord Diggers Ladies Bowling Club for 37 years & as such I fully support the installation of a Bowling Green at the Clubs site.

When the new Club was built 3 Greens were demolished & since then the Council's Management have continuously promised to replace at least one Green.

I hope the Council agrees with this installation as Recreation areas in the district are a necessity. Yours Sincerely

June Kemmsley
