Warriewood NSW 2102

RE: DA2024/1079 - 53 B Warriewood Road WARRIEWOOD NSW 2102

There are 2 mature trees on this property. I urge you to ensure they are saved. Especially as the mature trees on the other vacant block at 83 Warriewood rd were recently cut down. We should be protecting our mature trees, not letting developers chop them down. It's not enough to let them plant saplings which take 30 years to reach the same level of maturity
