Re DA 9-11 Birdwood Ave Collaroy (DA 2020/0432)  
August 26 2020

Dear Mr Lane

We initially had some concerns about the Birdwood Ave development regarding height and land fill in the backyard. We have been happy with the developer's willingness to discuss these matters and preparedness to make some modifications to their original plans. We are therefore happy to support the revised development and in doing so we note that there is to be ongoing discussion regarding the common boundary fence and stormwater issues.
