RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

Dear Assessing officer,

Manly Boat shed is one of the few public places on Sydney Harbour where one can come ashore from recreational craft, use toilet facilities and re-stock with water and supplies.

It is in much need of serious investment to enable repair to the current structure and thus continue to provide a public facility into the future.

We are assured that there is no desire to run a restaurant, have a kitchen or a liquor licence or operate beyond 1800 hrs. The kiosk apparently would be for coffee and pre-packaged food only.

If that was reflected clearly in the DA then I would fully support it.
