Subject: objection to DA2019/1480

I am writing To protest to the proposed building of a 12 unit boarding house at 242 Warringah Rd Beacon Hill. At the moment with a clear way on Warringah Rd and limited parking in Ellis Rd,traffic in my street Oxford Falls Rd is to say the least chaotic. People parking across my driveway trucks parked and blocking the view for approaching traffic.

At the moment at number 24 Oxford Falls there are many transient people living leaving derelict vehicles 3 so far which must be removed at council expense.

Thank you Merle & Bruce Huckle
