**Re: DA 2020/1063 - Proposed Floodlights on Mike Pawley & Frank Gray ovals, Curl Curl**

We would like to bring to your attention a core objective on the management of Community Land catagorised as Sportsground, namely -

**"to ensure that such activities are managed having regard to any adverse impact on nearby residences"**

The detrimental impact of this proposal, on the adjacent neighbourhood residences, is huge, and therefore should be withdrawn as soon as possible.

Thanking you in advance for a favourable re-consideration of this Council proposal.

Best regards,

Frank Minnici

### **36F Core objectives for management of community land categorised as a sportsground**

The core objectives for management of community land categorised as a sportsground are—

- (a) to encourage, promote and facilitate recreational pursuits in the community involving organised and informal sporting activities and games, and
- (b) to ensure that such activities are managed having regard to any adverse impact on nearby residences.
