**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

My objection to this application is the intent to allow cars from a car park to disrupt Roberson Rd present and future as a people meeting hub. Allowing the car park exit directly onto Robertson Rd is a major non compliance with the Newport Masterplan Plan and removing the mature gum tree to accomodate this development is vandalism. Build around this iconic tree.
