Hi my name is Amanda Hannon I live at 88a Allambie Road Allambie Heights. My neighbour's from 88 Allambie Road Allambie Heights have submitted an application number DA2020/1189 for renovations to their home. I could not access the plans for renovations using the application number had to get a friend to find pictures of plans by using address, so sorry for last minute concerns to approval of renovations. On the plans it looks like large bedroom windows are going to be looking straight into [REDACTED] bedroom windows so am writing this email to ensure my privacy is maintained as is now. Thank you yours sincerely Amanda Hannon
