A4 NOTIFICATION PLANS

June 2020

1. Development Notification

In accordance with Pittwater Notification procedures, State Transit propose to purchase three Council Notification signs and place these Development Application Notices, one at the front gated Depot Entrance, for pedestrians and visitors to the Depot and two on the fencing perimeter in the NW corner of the Depot, facing towards the pedestrian access way. These will be of the minimum size requirement and placed at a height of 1.5 metres.
