RE: DA2023/0868 - 39 Hay Street COLLAROY NSW 2097

I wish to lodge my objection to the DA application for 37-43 Hay Street, Collaroy. We believe this development sets an unwanted precedent for the neighbourhood and is inconsistent with the character of the area. Also, it would have significant traffic and congestion implications, which is already an issue with not enough parking, and single lane traffic in Anzac Parade.
