RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097

I lived in Collaroy for 19 years participating in nippers, swimming lessons in the pool and surfing the waves. Sadly, over the years I've watched the deterioration of the beach area, shop fronts and buildings. When I eat at some of the restaurants with my family and catch up with friends, the conversation always ends up with "when is the council going to improve Collaroy Beach". Compared to other beach areas such as Freshwater, Dee Why, Mona Vale and Newport, Collaroy is years behind.

I heard that a new low rise beachie style development has been lodged that hopefully be the start of a resurgence of Collaroy Beach Village Vibe that is missing.

Its has my full support.

David
