Subject: Submission: DA2021/0497

Good evening,

I've reviewed Development Application: DA2021/0497 at 87-88 North Steyne, Manly and wish to make a submission. My submission is that the access point to complete the proposed works is not via Whistler Street, Manly. This is a one-way street and would be extremely disruptive to residents like myself.

Regards,
Simon Harrison
