**RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102**

To Council

Have you ever Traveled to Warriewood at 830am 5days pick up at 3.15pm  
a week like I do ???

My Son has attended Mater Maria for 3year with my Other Son attending Nxt year  
The Traffic has Been 4x The Traffic due to the New Retirement village on McPherson Street  
and New Residents due to small pigeon hole appartments which will look like a Ghetto soon !!  
It Then Hits another Traffic Spot at the First Roundabout

Following the Nxt

Drop off and Heading towards Mona vale Road

Which Can take Up to 15mins to Arrive at !

You really have to Be Kidding with a Bus Depo

I can't believe You the Council haven't considered Local Businesses taking on the property  
they already have parking sites available

Instead Using a new Business with New Problems Especially Buses ???

Can u imagine the Mess that's Going to Happen especially around a Round roundabout

Seriously Where are the Brains Behind this !??

Mona Vale Rd is already a Mess !!!!

Please Consider the mess it's going to leave

I'm a rate payer that has to Travel to work on time to pay my Rates !!

Thanks
