RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

Only living in the neighbourhood for under 3 years, we were not previously aware of a similar declined proposal 5 years ago.

We are against this proposal for 3 main reasons:

- Environmental; unnecessary Electromagnetic Radiation infrastructure so close to a school, sporting fields used by all ages, re-generating bushland and nature reserves.
- Cellular range; as an Optus customer, reception has never been an issue. If this changes, I will simply move to another provider.
- Unsightly; self-explanatory.
