**RE: DA2021/0006 - 10 Jamieson Parade COLLAROY NSW 2097**

I have a few concerns in regards to the above application.

From viewing of the plans it appears that the proposed building is an overdevelopment of the site, as it is outside the normal building envelope and together with both the side and front setback boundaries being non compliant.

I believe that this would have a negative impact on the street, and is not keeping with the current streetscape.
