To whom it may concern,

I, Jack Small of 4 Harst Pl, Belrose NSW 2085, am strongly opposed to the proposed development outlined in the notification sent out on the 5/8/2021.

With John Colet School, a fast growing catholic school already causing congestion in both the morning and afternoon, I feel as though the addition of a boarding house would further increase the congestion with added cars being parked on Wyatt Avenue.

That, along with the beautiful landscape that we have around, I just feel this hoarding house is not fit for the area for the purposes it's going to be used for.

Kind regards,
Jack Small
