RE: Mod2019/0547 - 22 Jubilee Avenue WARRIEWOOD NSW 2102

While we do not oppose the request to extend the trading hours of the market, WE DO OPPOSE the suggested EARLIER STARTING TIME based on the following precedences and criteria...

- Noise Control Regulations prohibit vehicular and refrigeration unit noise before 8am on Sundays which the current bump-in time of 7am already does not comply with
- The former Frenchs Forest Market at the Parkway Motel site which it replaced did not start until 9am according to a post on their Facebook page FrenchsForestMarket on 3rd July so the current starting time of 8:30am is already 1/2 hour earlier
- Most of their existing markets at other sites do not start until 9am with Kings Cross starting at 10am. The only sites starting earlier at 8am are Hornsby Mall and Middle Head Mosman which are located in an existing shopping area or a location very distant from a residential area.
