RE: DA2024/1091 - 5 / 1 Careel Head Road AVALON BEACH NSW 2107

This proposal is extremely concerning and does not meet the needs of the community at all. Firstly, there are already 5 stores selling alcohol between Avalon and Palm Beach, the community does not need another alcohol store that could potentially perpetuate alcohol-related harms and binge drinking culture. The fact that the Dan Murphy's is proposed to be coupled with a child-care centre is very alarming. The children will be exposed to alcohol advertising where research has confirmed the many potential harms that this could cause, including normalising drinking behaviours. I urge you to please not accept this very concerning submission that goes against the community's values.
