**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Hi, This is a request to grant the Frenches Forest market permission to trade in the RSL Mona Vale parking lot. The market is such an important part of the community and used regularly by people who cannot access organic fruit and veg and other goods during the week. It supports small, local business and allows communities to come together. It promotes healthy eating and living and it is important to my family. Please consider granting the application they are requesting.  
Thank you, Natalie
