**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

I strongly object to this development proposal. The proposed building will pack too many residences into the site, will be too big, will destroy mature trees, will cause traffic problems and does not suit the surrounding area aesthetically. The Northern Beaches area is beautiful but incrementally the quality of our environment is being degraded by planning proposals like this. I urge the Council to reject this application.
