RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

The proposed Optus tower is unsightly and totally out of keeping with the natural parkland of Abbott Rd sporting fields. Secondly, the proposed tower presents an unacceptable health risk to children using the fields, the children attending the local primary school nearby (CCNPS) and the nearby neighbouring residents. This tower must be stopped.
