RE: Mod2016/0293 - 80 Evans Street FRESHWATER NSW 2096

It's bad enough dealing with the dirt and dust on our balconies, carpets, cars, buildings and lungs (complaints don't work with these people) and the damage being done to Evans St (it was only repaved a while ago and it looks like it's over 20 years old with all the tar breakup and ruts) They now want to increase the working hours till 8pm on weekdays and 3pm on Sat. There are shift workers, babies and the elderly who live opposite and who will be inconvenienced even more with these increased hours. I am totally sick of the total contempt Gannellen and the Diggers have for the residences of the surrounding area. Even trying to get out of my driveway without being nearly hit by a huge truck and dog is an experience in itself. Please do not grant these extra hours.
