RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I am a Newport resident of 33 years and also work in infrastructure planning for a state government agency. Northern Beaches Council are doing a great job across the board making the Northern Beaches a vibrant place to live with improvements to our green spaces, recycling and sustainability initiatives and support for local business. Please reject this submission for Robertson road Newport. It is not in character with the village of Newport and will reduce the visual amenity of Robertson road which many small business have worked hard to provide an enjoyable shopping and dining strip that is much loved by local residents.
