**RE: DA2022/0246 - 120 Prince Alfred Parade NEWPORT NSW 2106**

Dear Assessing Officer

I write to request the removal of the giant fig trees on and adjacent to the property. They have grown to an enormous height and have not been managed at all. I walk past the property most days and now have to walk on the road, which is dangerous.

Further, the trees appear to be encroaching on the adjacent storm water drains which will eventually lead to flooding in the area.

The time has come to remove them.
