Re.: Errors in text conversion - our objections to the proposed modification (MOD2022/0634) to DA2020/0110 at 12/20-22 Cross St, Brookvale

Dear Mr French,

We have verified our yesterday submitted files now uploaded to Council website and found that 3 out of 4 Video Batch Links in Attachment 2 are shown invalid and not working. Our original submission file here has all links working and so we assume a technical error could have occurred during email attachment merge, conversion or upload to the Council's website.

Would it be possible to place the following correct version of our Attachment 2 with all links working (below) along with our yesterday's Submission?

If a further technical issue prevents you from opening any of the 4 Video Batches, please let us know and we will endeavour to provide you with these links in a printed form - it should work in any case.

Kind regards - Jimmy Fransiscus and Premysl Botek 0426262988
