Re DA 2019/0229

I am writing to support the DA. The Bella Dolce cafe fulfills a community service need. It provides eat-in fresh nutritious food at a reasonable cost for the local elderly, disabled and provide a place for Tradies to grab some breakfast and a coffee before they start their work day. Teachers from the local schools frequent the cafe and meet up with friends who have since left the teaching field. Mothers can relax and feed their babies and enjoy a getting out of the house or unit. We have been frequenting the the cafe for many years and it has made a huge difference in our lives to be able to have a beautiful coffee daily, meet our friends and interact with the locals. We regard Sahara and Michael as our friends. They are very hard working Australians and do a wonderful job of providing nutritious food and friendship. Narraweena needs a cafe exactly like this and the location is perfect as there is adequate parking available. I strongly support the Development Application.
