RE: DA2020/1235 - 888 Pittwater Road DEE WHY NSW 2099

I strongly object to the proposed car wash in the car park of 17 Howard Ave Dee Why. This area will restrict the entrance to the parking area for retail, child car centre and any tradesmen. As the area is near the lift it is often used to unload heavy parcels from my car as my car parking area is a long walk to the lift and I am unable to carry goods that far. Also, the delays caused in accessing the car park due to cars waiting to be washed will create a problem.

As this area is deemed retail parking it seems completely unfair to give to a car wash as this was not the deal on purchase of my property.
