RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

I would be very much in favour of this venue opening extended hours. This will be a great addition to the social amenity of Palm Beach. It is not in a residential area so local residents will not be disturbed. There is a dearth of nice evening venues north of "the bends"
It is also on the bus route making it a desired venue for those of us who want to enjoy a lovely meal and some wine.

I would fully support this venue opening extended hours.
