Belrose NSW 2085  
26 October 2014

Dear Sir/Madam

Attention: Kevin Short

**MODIFICATION NO: MOD 2014/0174 – (DA2010/1170)**

**Description: Modification of Development Consent DA2010/1170 granted for Increase in student numbers at John Colet School**

**Address: Lot 101 & Lot 1 – 8 Wyatt Avenue Belrose**

We object to any further extension of the trial period.  
The Application for the extra 75 students should be refused.

All details previously provided observing continued traffic problems by us are still current.

Since the increased numbers there are extra cars parked all day along Wyatt Oval Car Park. These we believe belong to the staff. We had been previously advised that all staff would park on site. As this doesn't happen parents picking up students are forced to drive further down Wyatt Ave each morning and afternoon to pick up their students. This causes traffic problems and serious safety issues.

**The safety issues are the most major concern.** Neither the Community, School or the Council want any accidents involving students occurring.

Previous submissions have been sent re 2010/1170 and 2013/0260.

We thank Warringah Council for the letter advising us of this DA.

As a long term resident in the Warringah Council Area (44 years at Wyatt Ave,) we trust that our issues will be considered and dealt with appropriately.

We look forward to a positive response from you in the near future.

Yours faithfully
