RE: DA2025/0132 - 37 Roseberry Street BALGOWLAH NSW 2093

The amended application does not alter the fact that this plan is quite unsuitable for this area. We are a residential community and we neither want or need or require --increased traffic, increased anti-social behaviour, increased early daytime and nighttime noise, increased stale food smells, increased litter. MacDonalds don't care about our community, they only care about making money. These plans need to be refused and MacDonalds told to take their business to a more suitable place. Other local councils are doing just that. Please do the same.
