RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

I strongly support this proposal.

Sydney Harbour has so very few interface points between the water ways and walkways and this is a terrific opportunity to enhance that for the benefit of a different set of foreshore users than the usual clients of waterside developments.

The relationship of the proposed development to a popular walkway and a calm Harbour location means that this is a thoughtful next step and logical evolution for a site that has long been a part of Sydney's Working Harbour.
