**RE: DA2020/1235 - 888 Pittwater Road DEE WHY NSW 2099**

Hi All,

i am living in Meriton Lighthouse Building D and the owner of a unit. I would like to make a submission for this project.

-There are major defects in the building with noise cancellation and humidity tag is not yet been addressed with Meriton. They are not responsive at all.

-also that project will be too much noise.

-too many people will come and go and we will have security problems. - that project will bring extra ordinary traffic in our park places.

-still lots of spots are not clean in the building and it will bring another cleaning issues as well.

- because of covid19, car park sites are our quite and isolated places, I don't want to meet lots of people in our park level from outside not resident.

Regards  
Guner
