RE: DA2020/0211 - 82 - 84 Bower Street MANLY NSW 2095

Hello

I know the neighbours to the this build. I have seen the privacy issue first hand. It is a discrace.
How can what is going on be considered a renovation?

It is obviously a new build and as such way outside guidelines, on so many fronts.

Shame on you, if you allow this to proceed

I OBJECT!

Ross
