**RE: Mod2016/0293 - 80 Evans Street FRESHWATER NSW 2096**

Extending the hours of construction is really not acceptable, we already experience trucks passing and parking in the area at all times of night. Extending the construction will severely impact the health and quality of life for people living in this area. I myself wake up coughing from the dust.

I've also heard they are ahead of schedule thanks to getting many more trucks onto the site than they anticipated/initially advised, surely this is enough.

Thank you.
