Subject: Unnecessary closure of Belrose Bowling Club playground

Hello councillors,

I would like to protest against the closure of the childrens' playground at the Belrose Bowling club.

My 2 year old loves this playground and it is an asset to the club. Surely the sound of children having fun cannot be the reason the neighbour/ s have complained? Would they prefer these children to be inside on screens all day?

Perhaps if the decision cannot be reversed you would also consider restricting the hours of the playground so it is inaccessible by older kids at night? That is, if that is the problem, because as I said, I cannot fathom that children laughing and having fun would be offensive to anyone.

Thank you for your time.

Sincerely,
Lorena Otes.
