**RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102**

I object to adding more heavy vehicle traffic to Ponderosa Parade and the Warriewood area.

Ponderosa Parade already has traffic backed up past Jubilee Ave towards Macpherson St, especially during peak times and I can't see how a bus depot would be successful in this area.

The Warriewood Valley has been developed with little improvement to infrastructure - for example try parking along Macpherson Street if you get home after 4:30pm. It's impossible.

Surely a bus depot would be much better off in Terrey Hills away from residents and narrow local roads.
