Title:

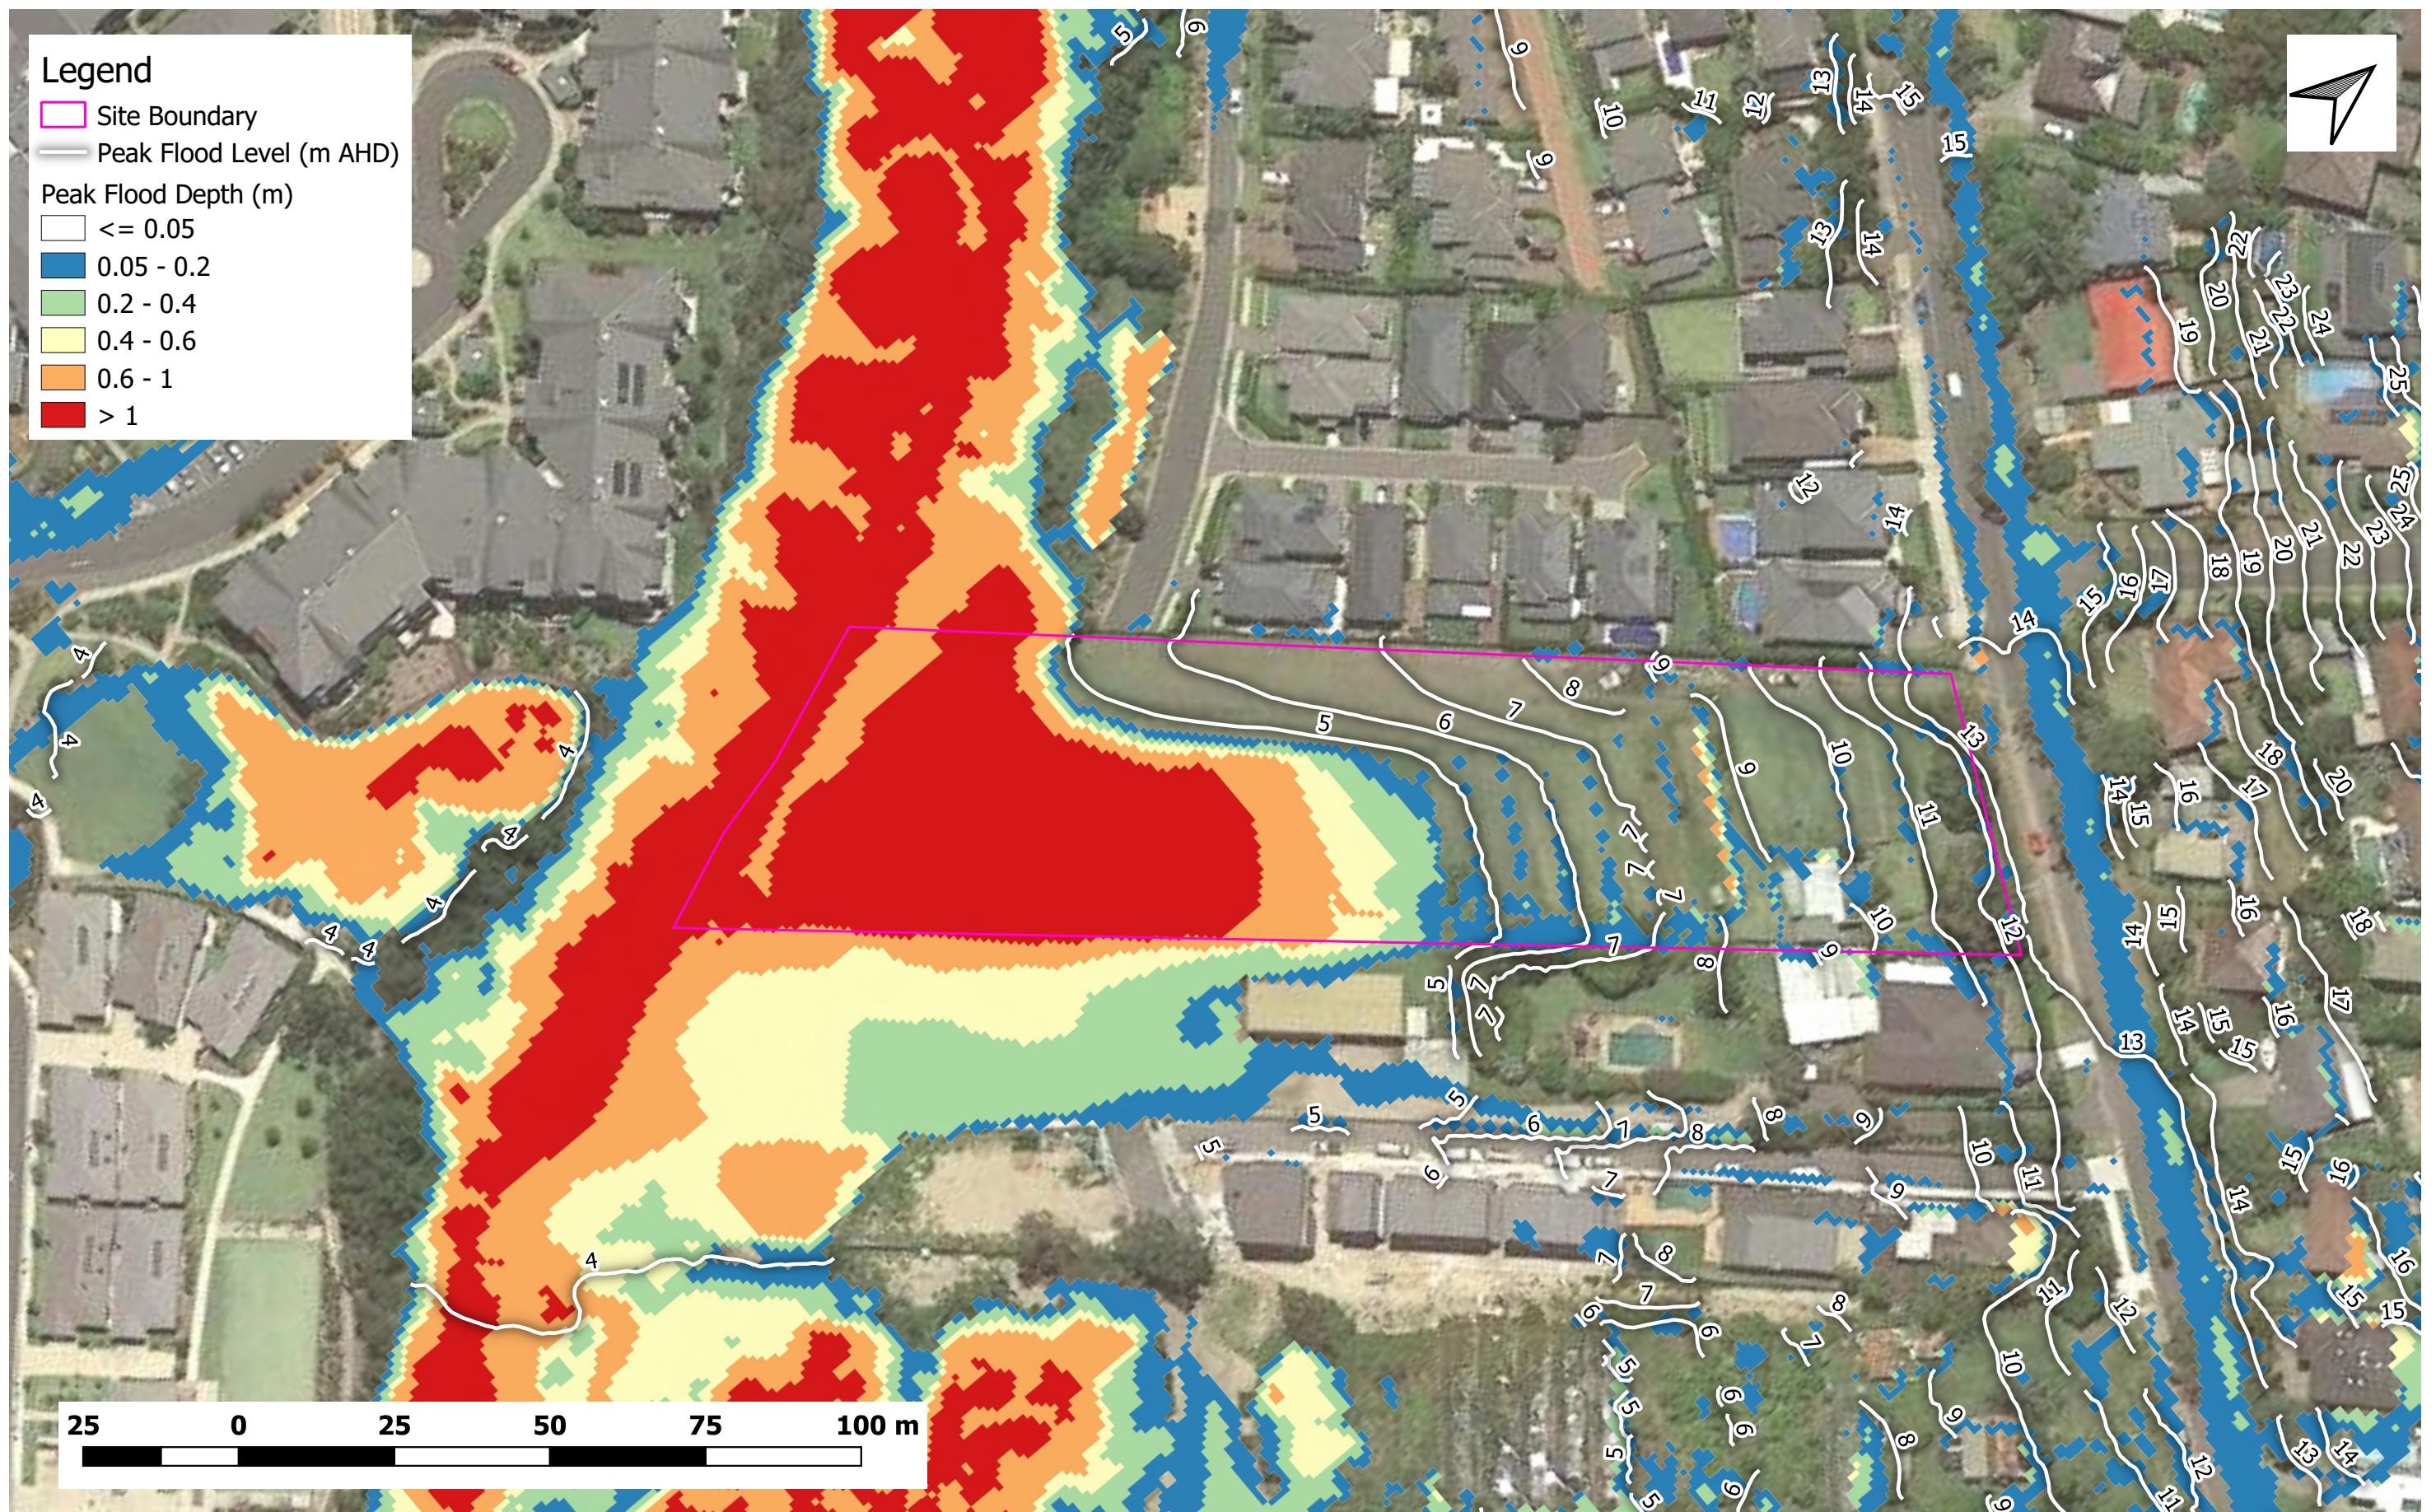

**Figure B1 - Existing Condition
Peak Flood Depth and Level (50% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

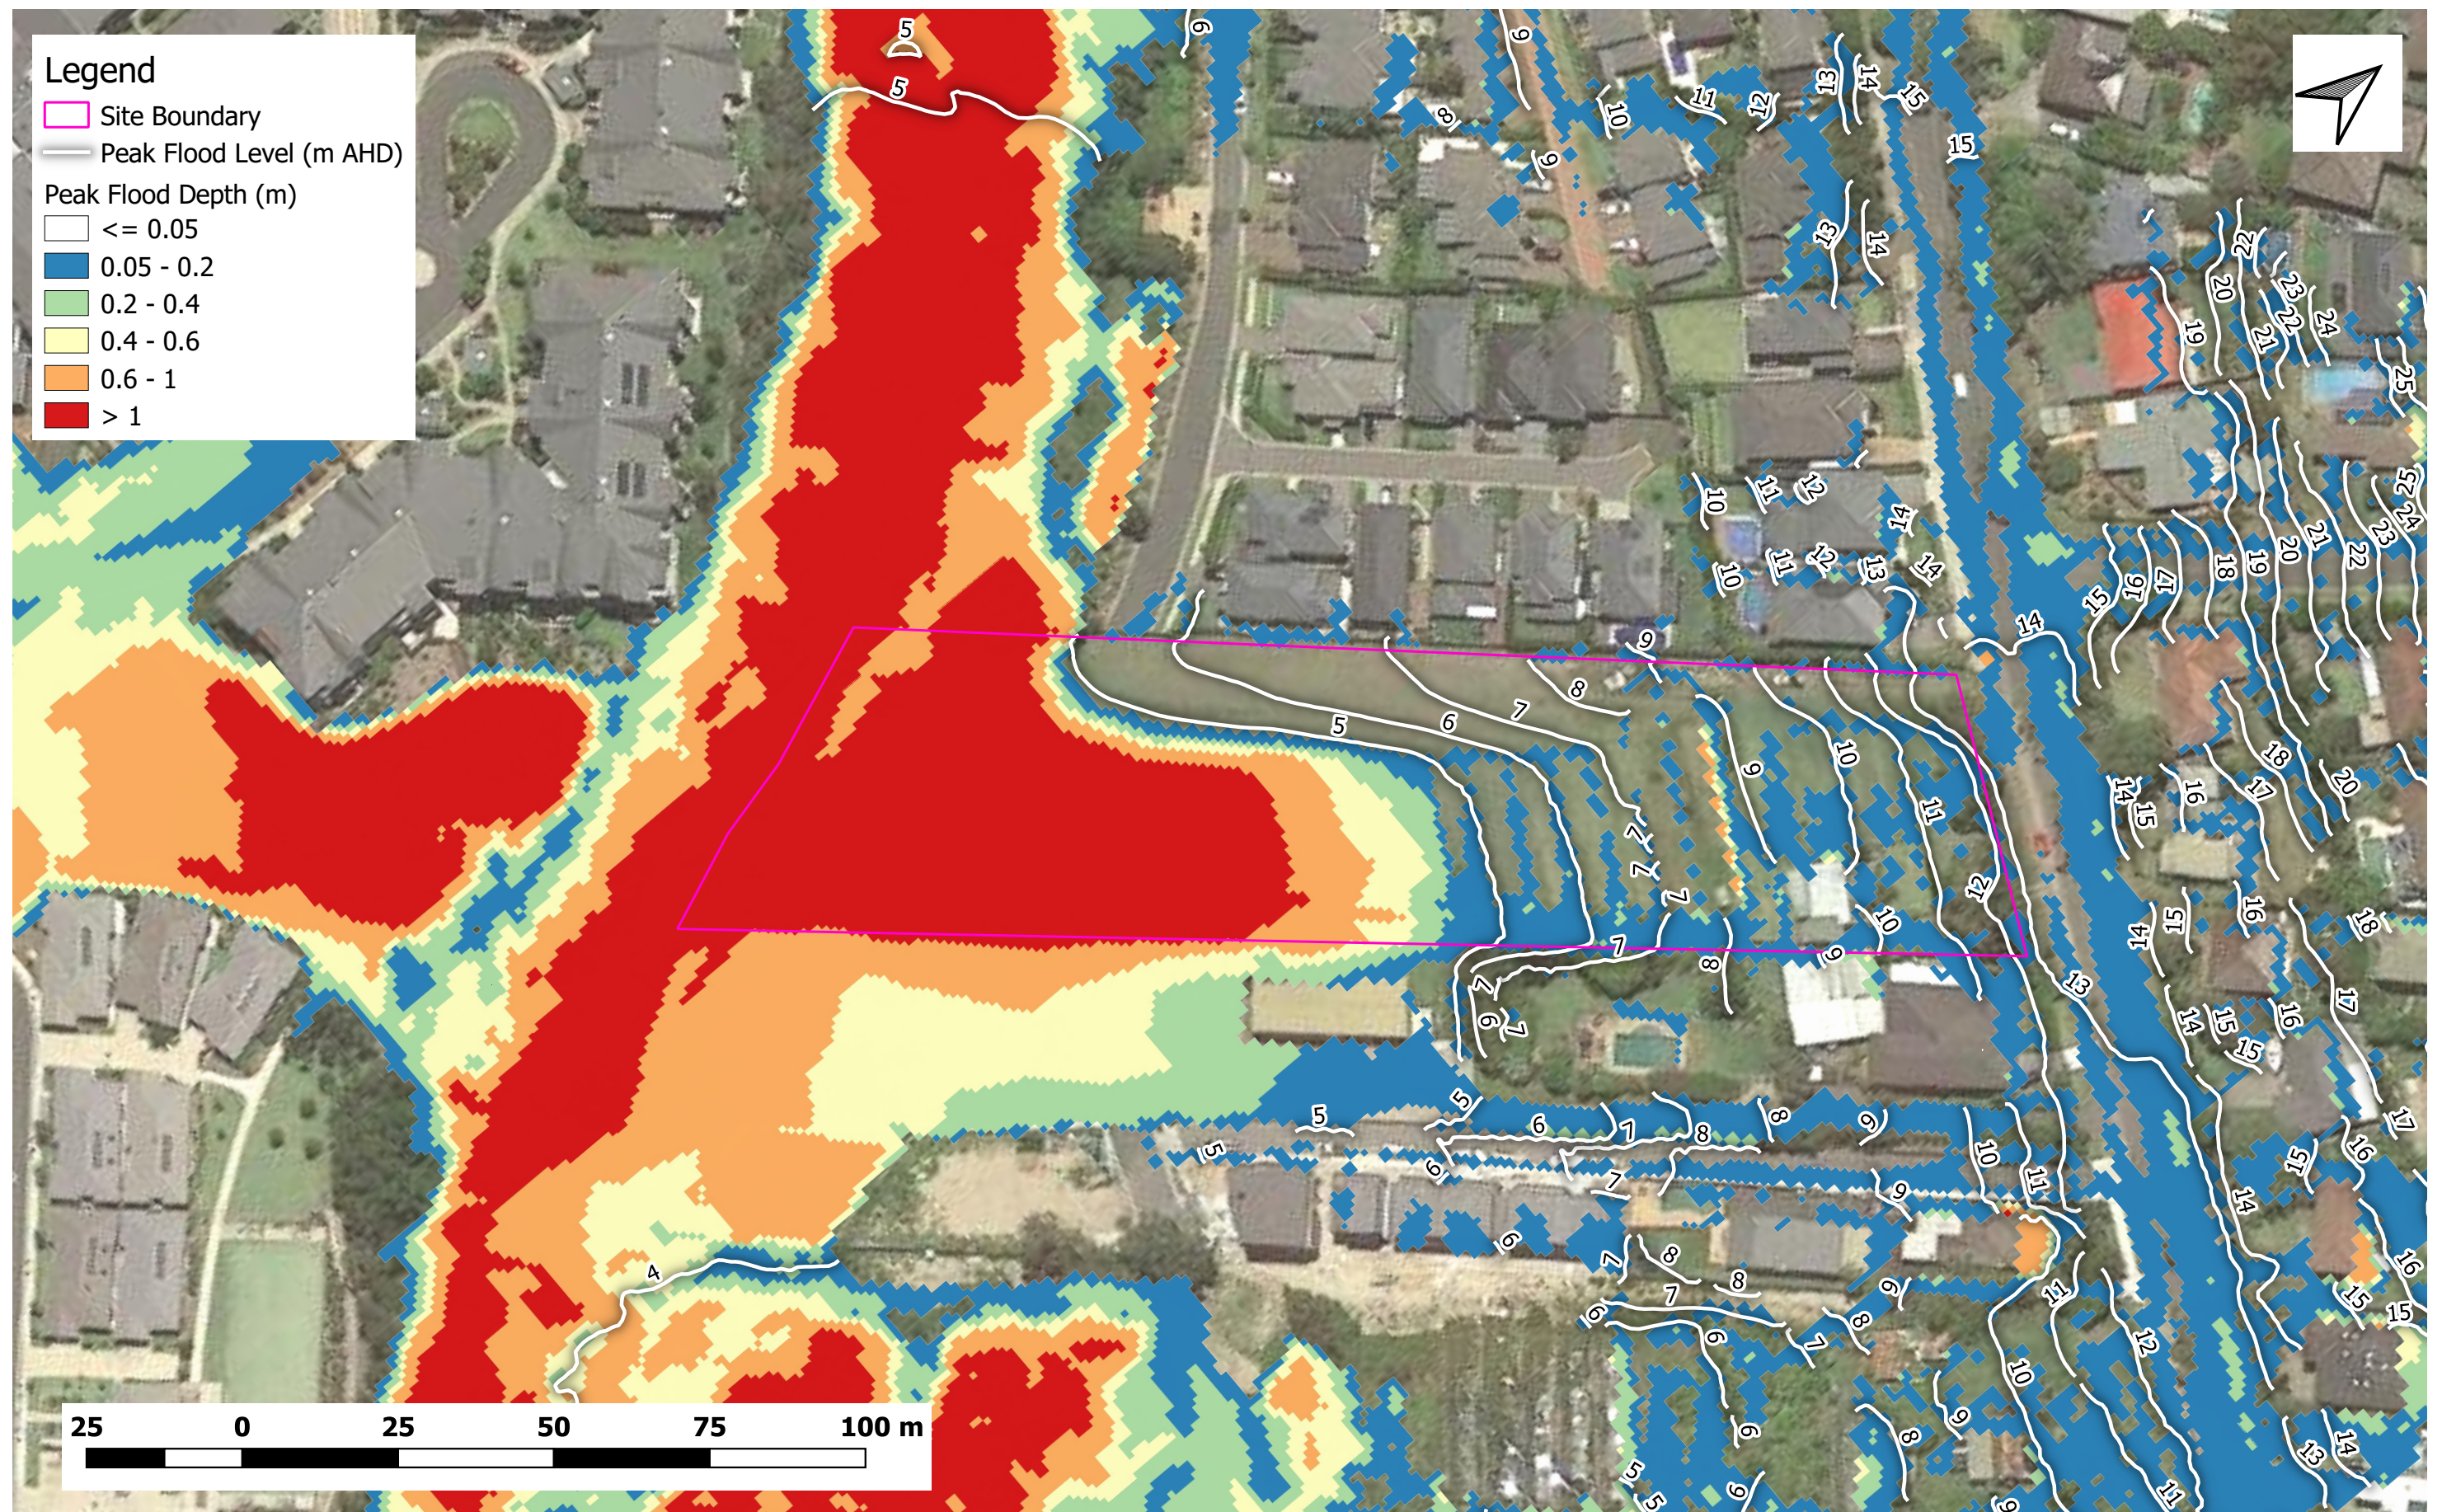

**Figure B2 - Existing Condition
Peak Flood Depth and Level (20% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

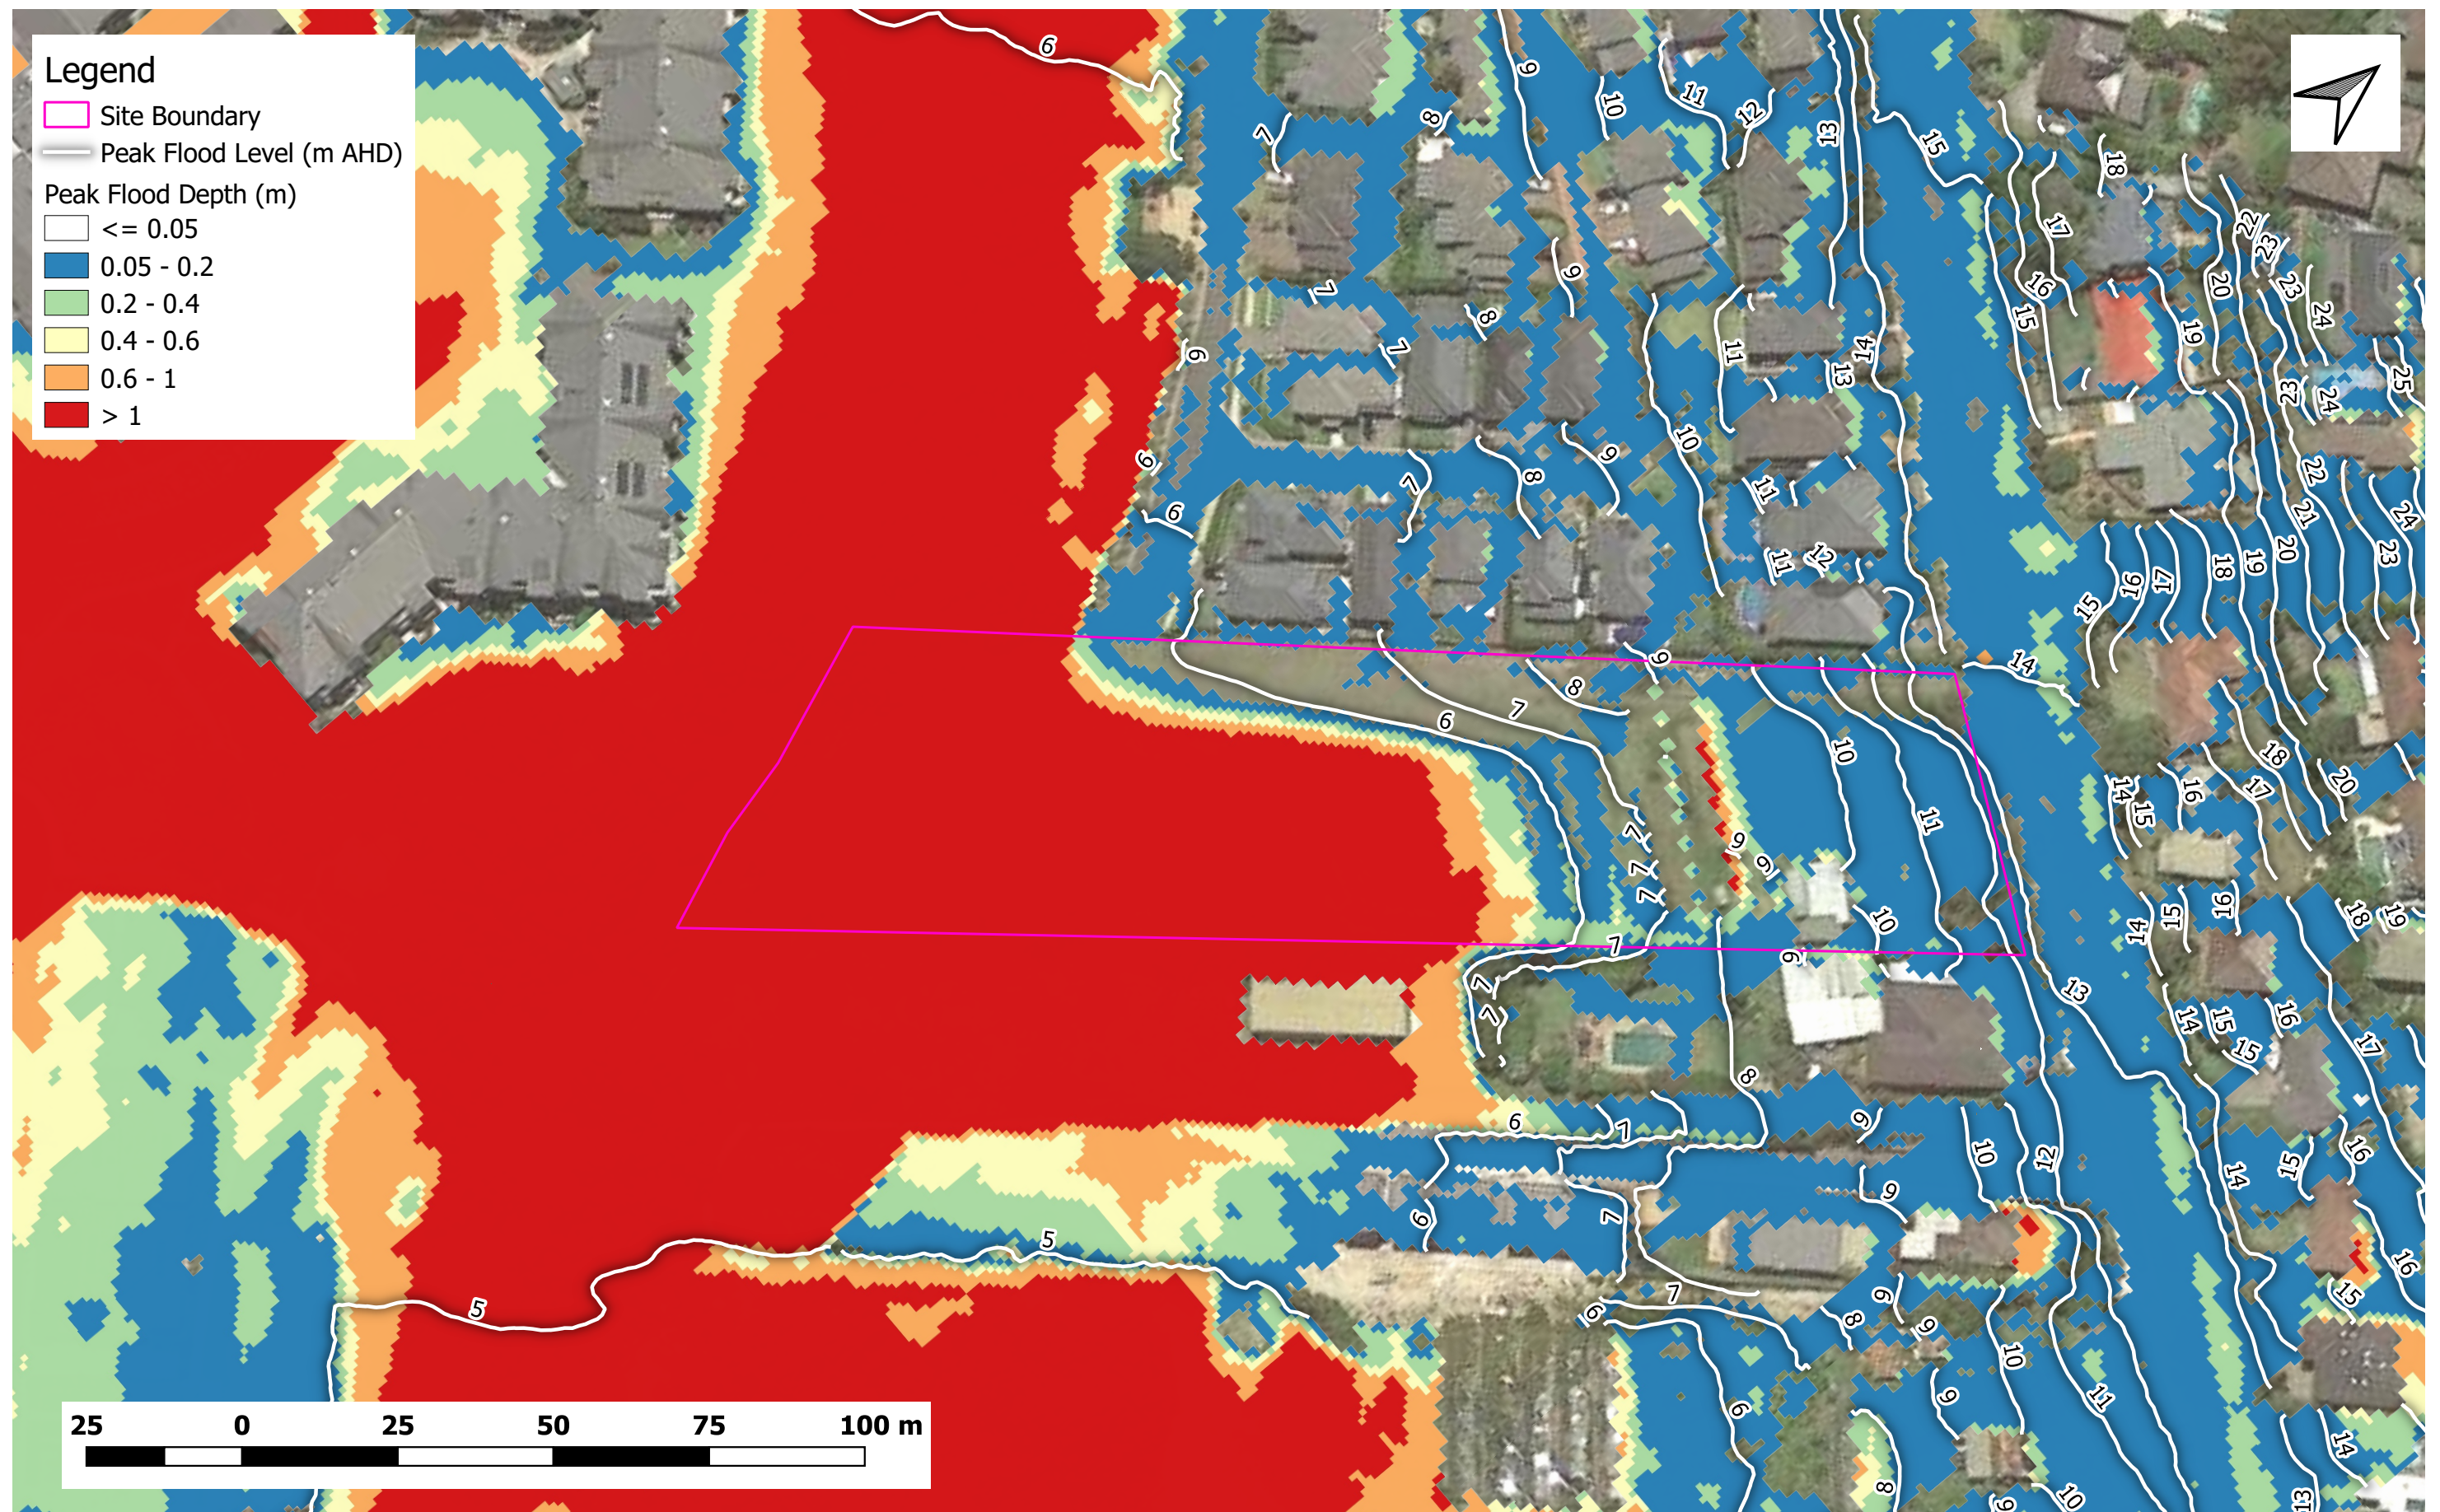

**Figure B3 - Existing Condition
Peak Flood Depth and Level (1% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

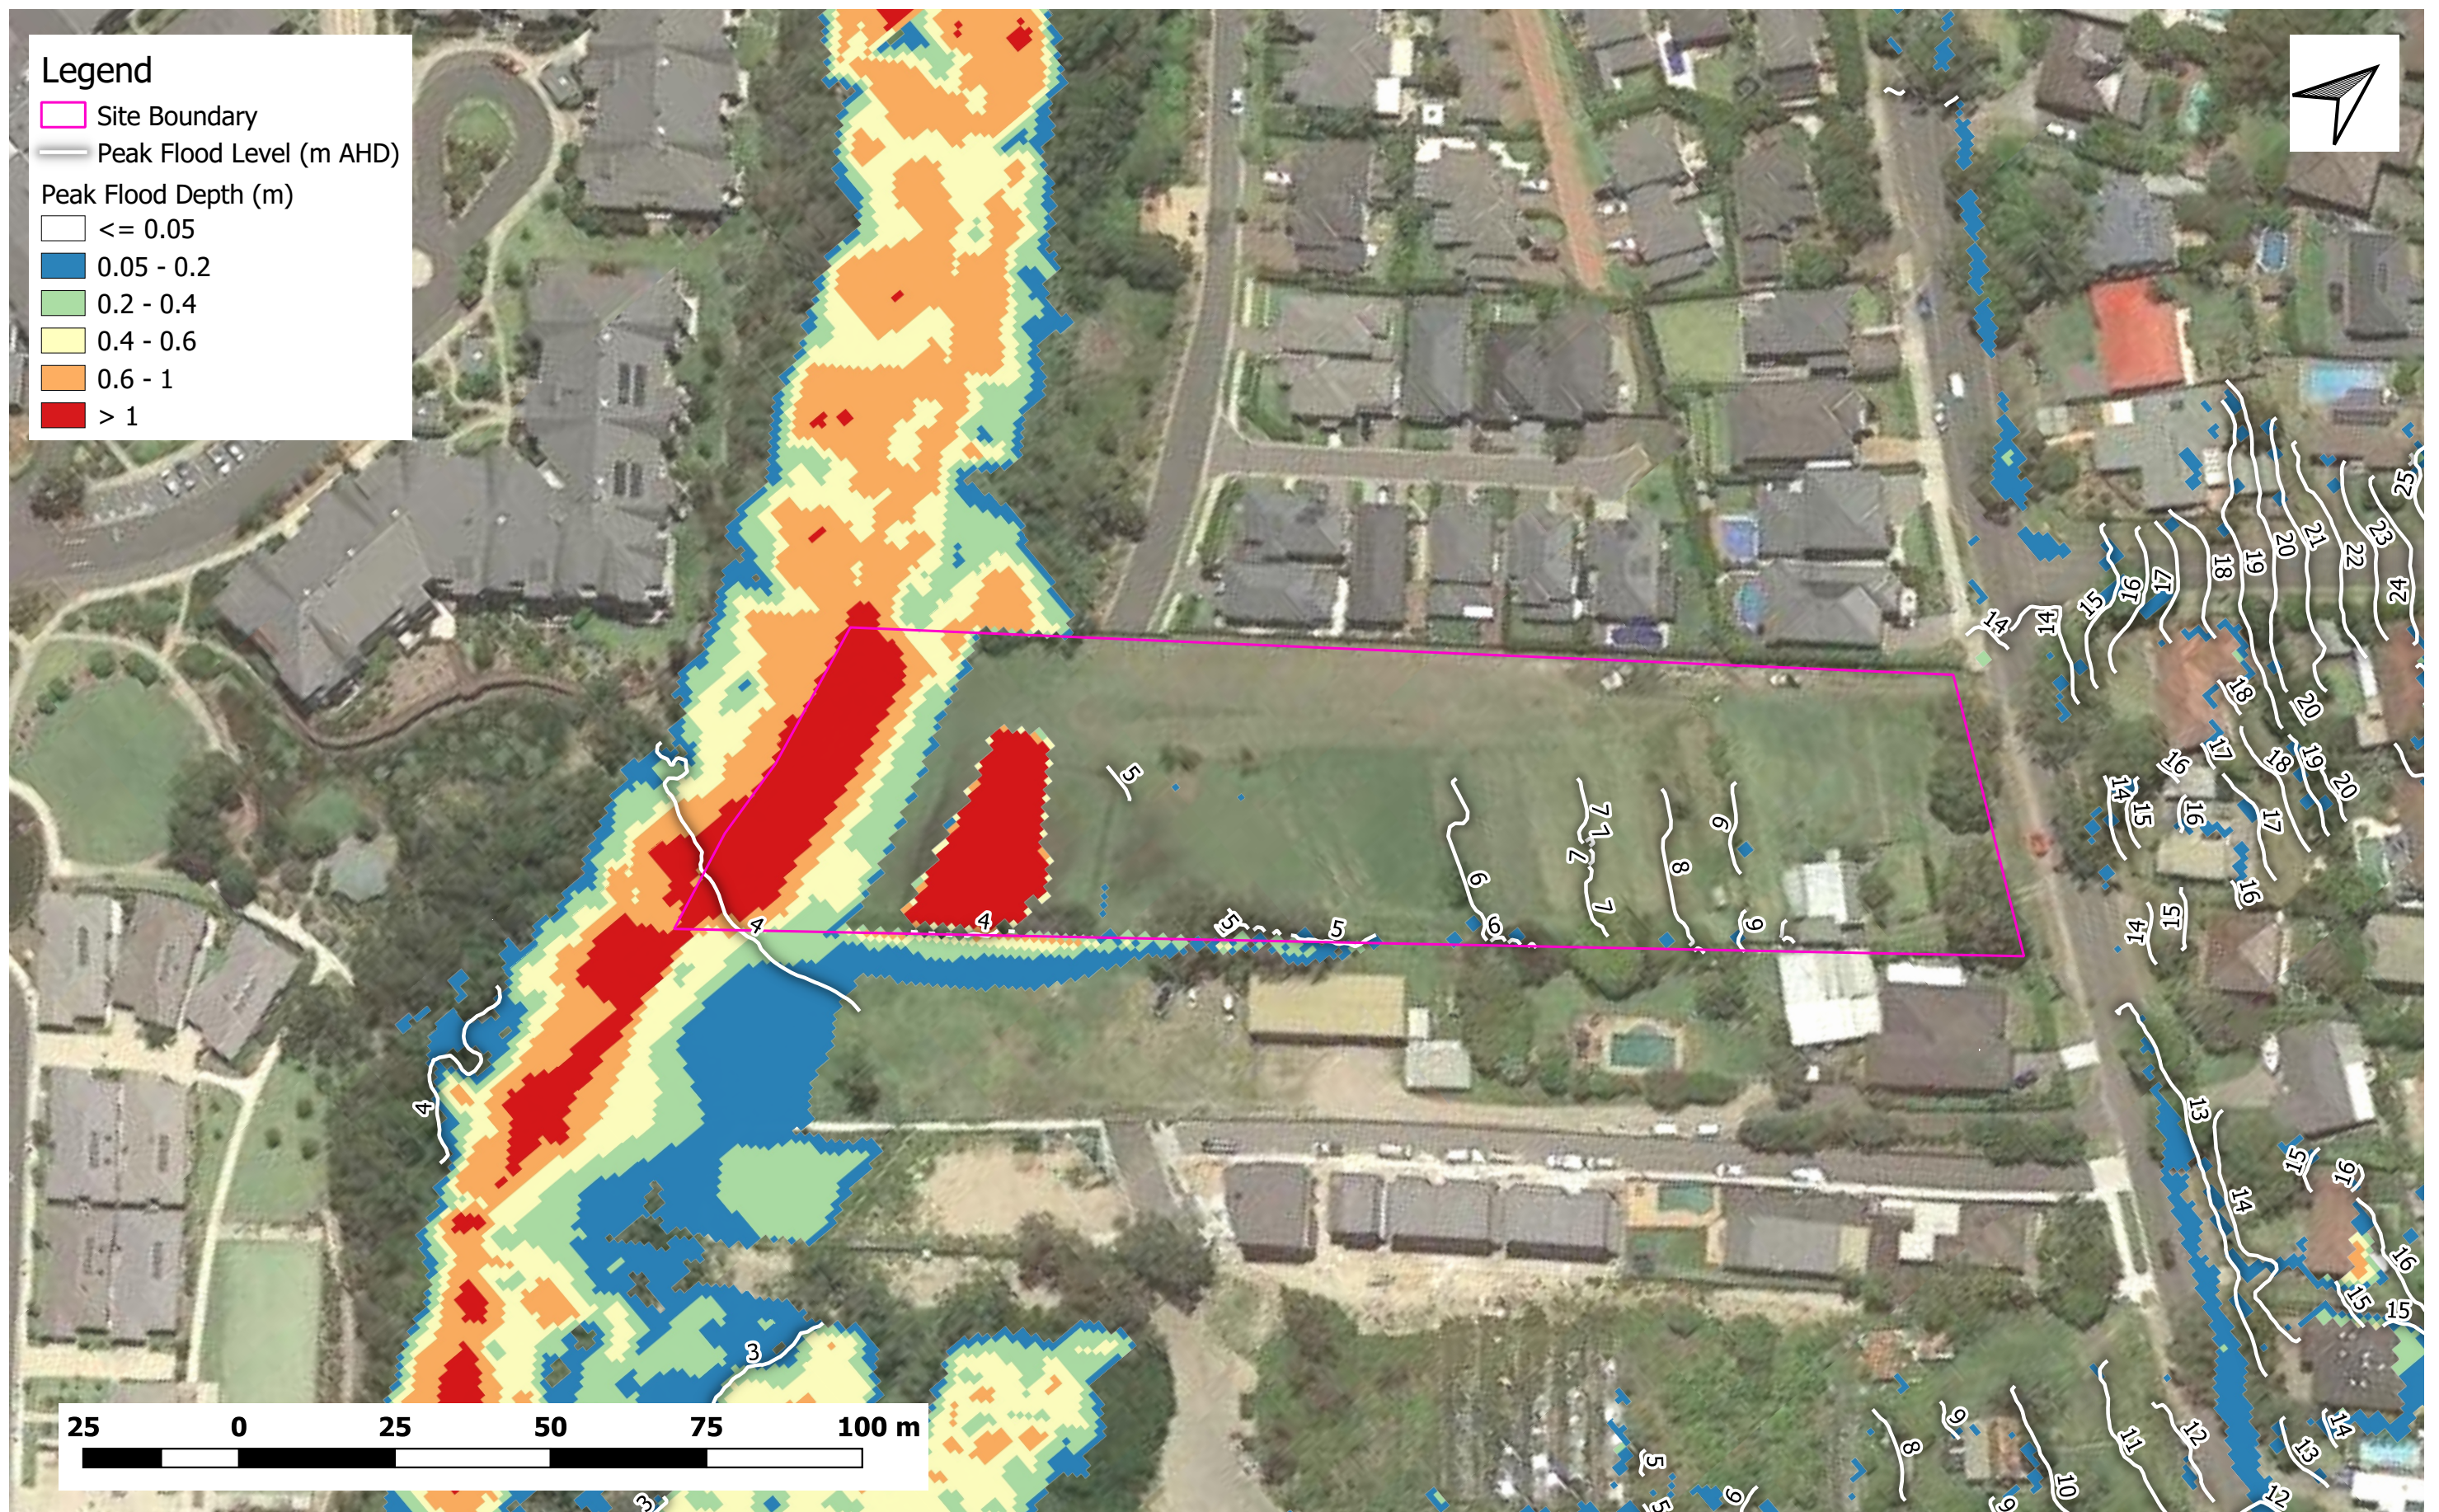

**Figure B4 - Existing Condition
Peak Flood Depth and Level (1% AEP with Climate Change)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

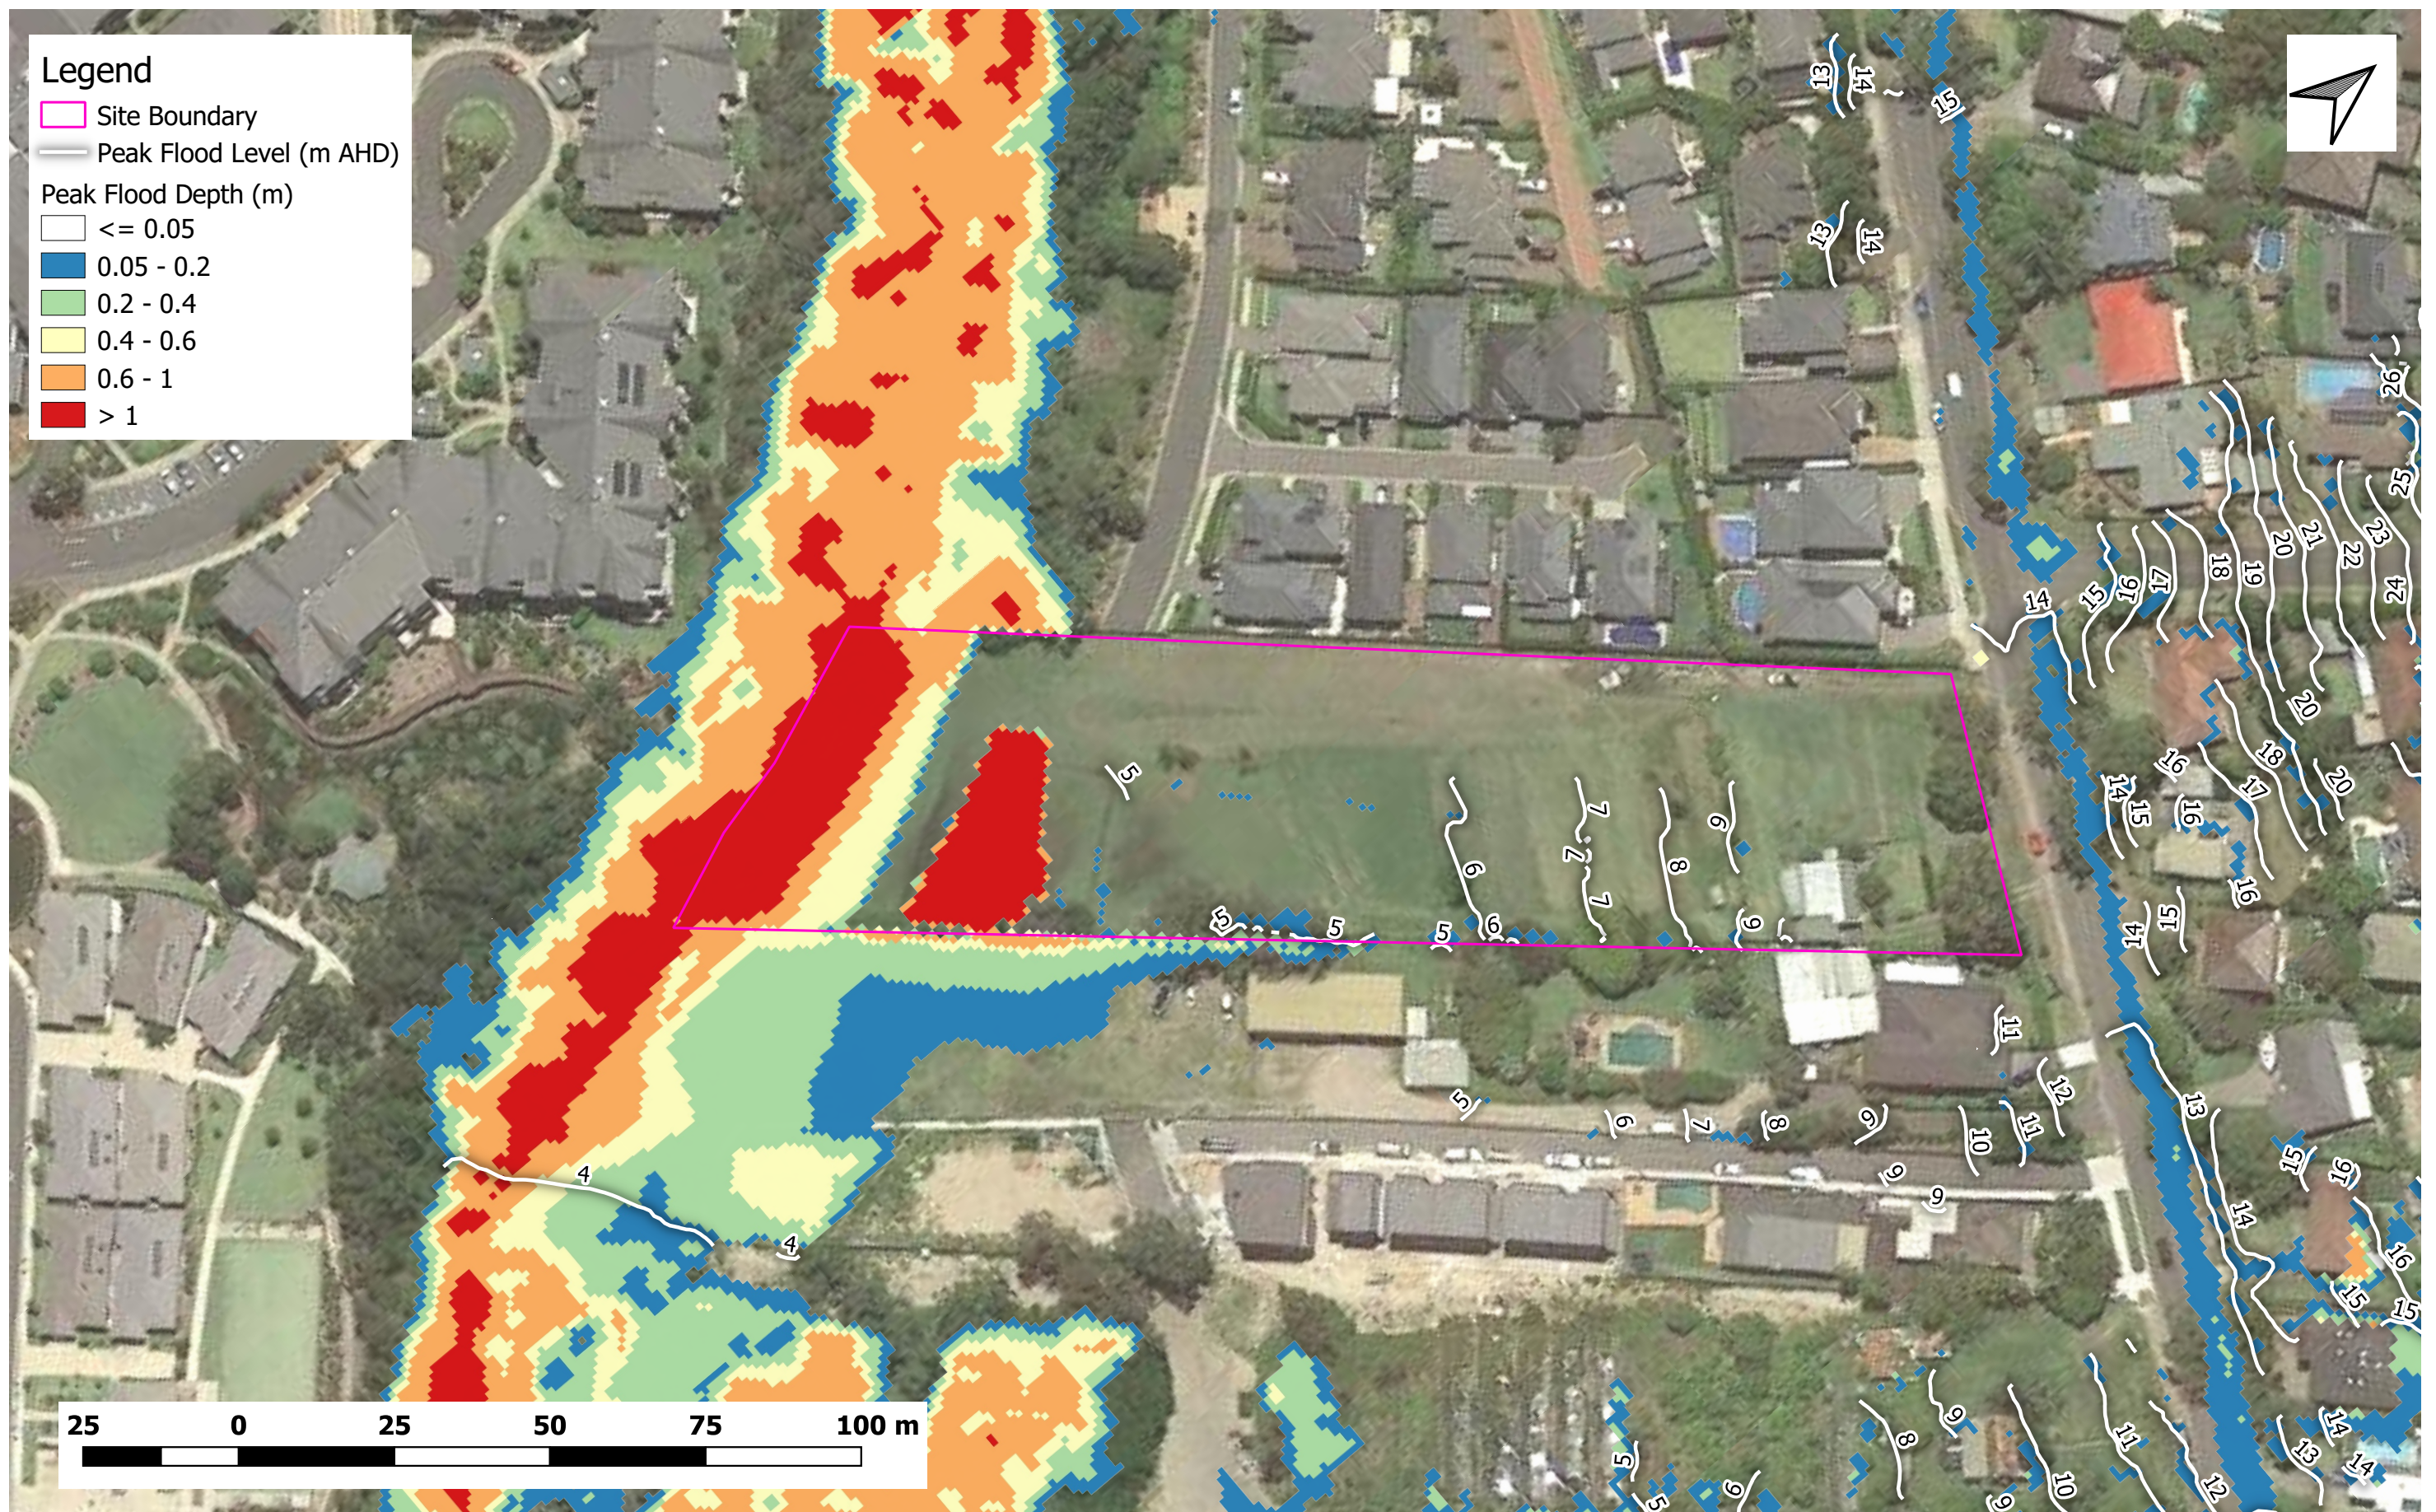

**Figure B5 - Existing Condition
Peak Flood Depth and Level (PMF)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

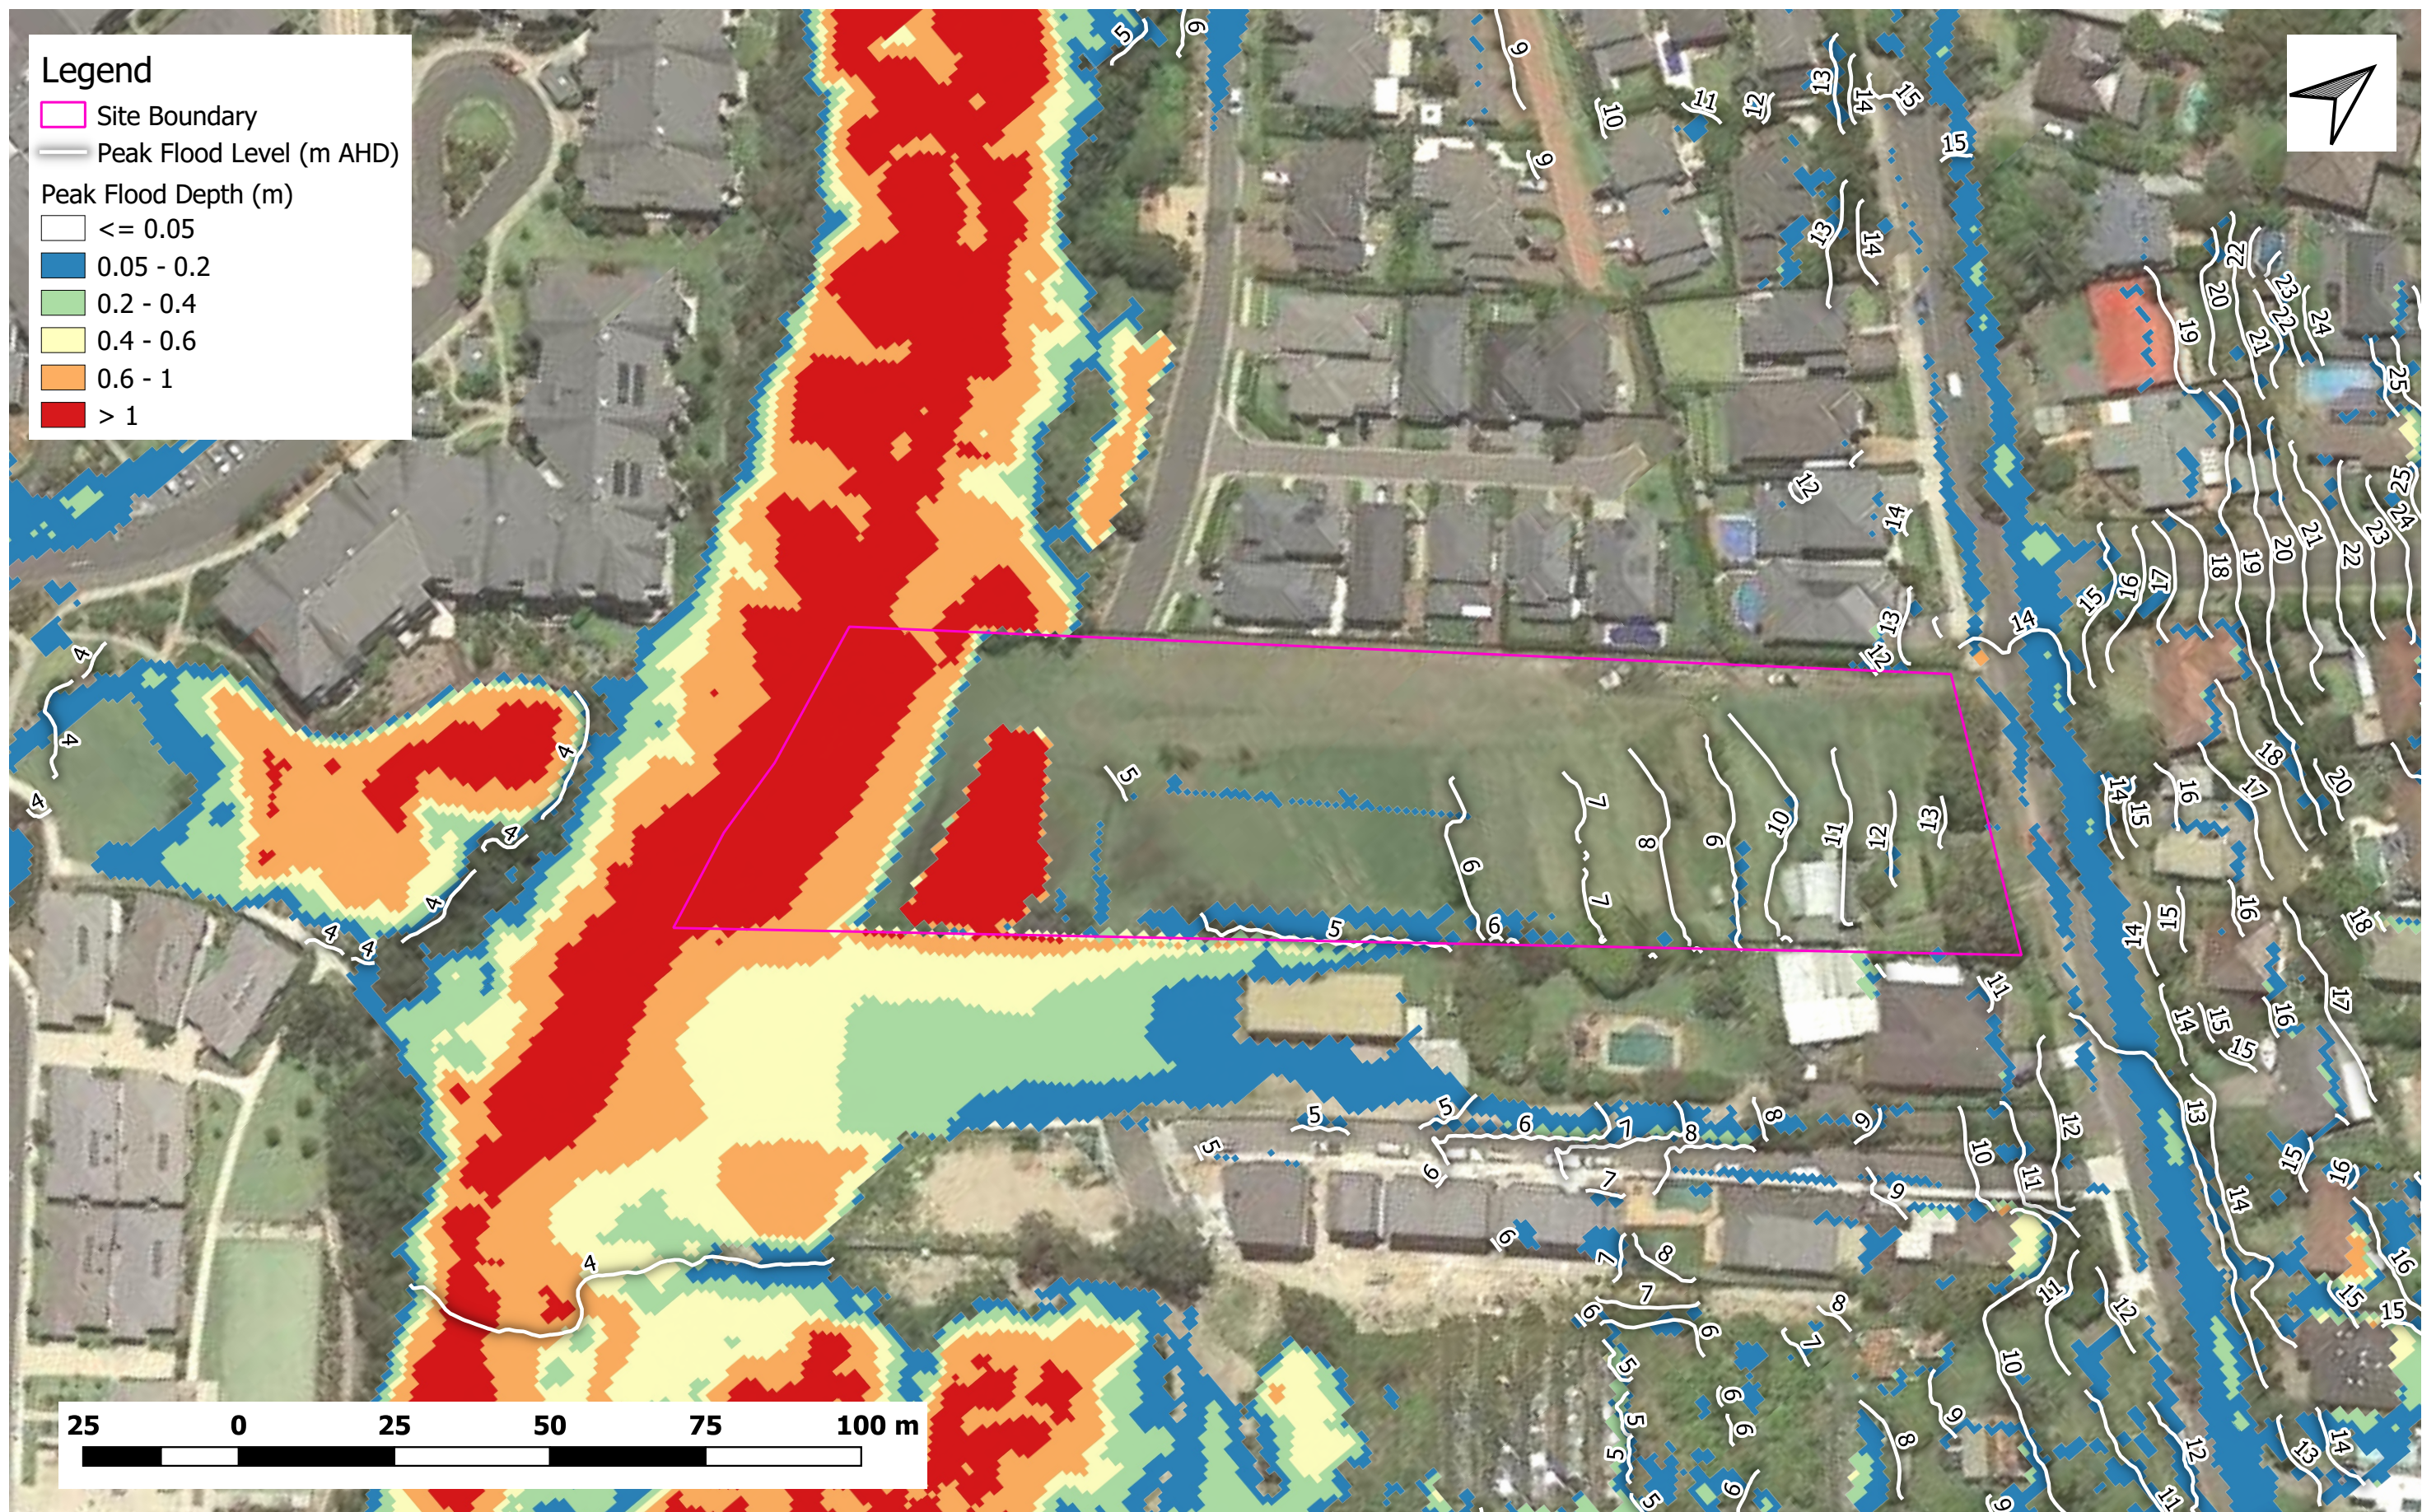

**Figure B6 - Proposed Condition
Peak Flood Depth and Level (50% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

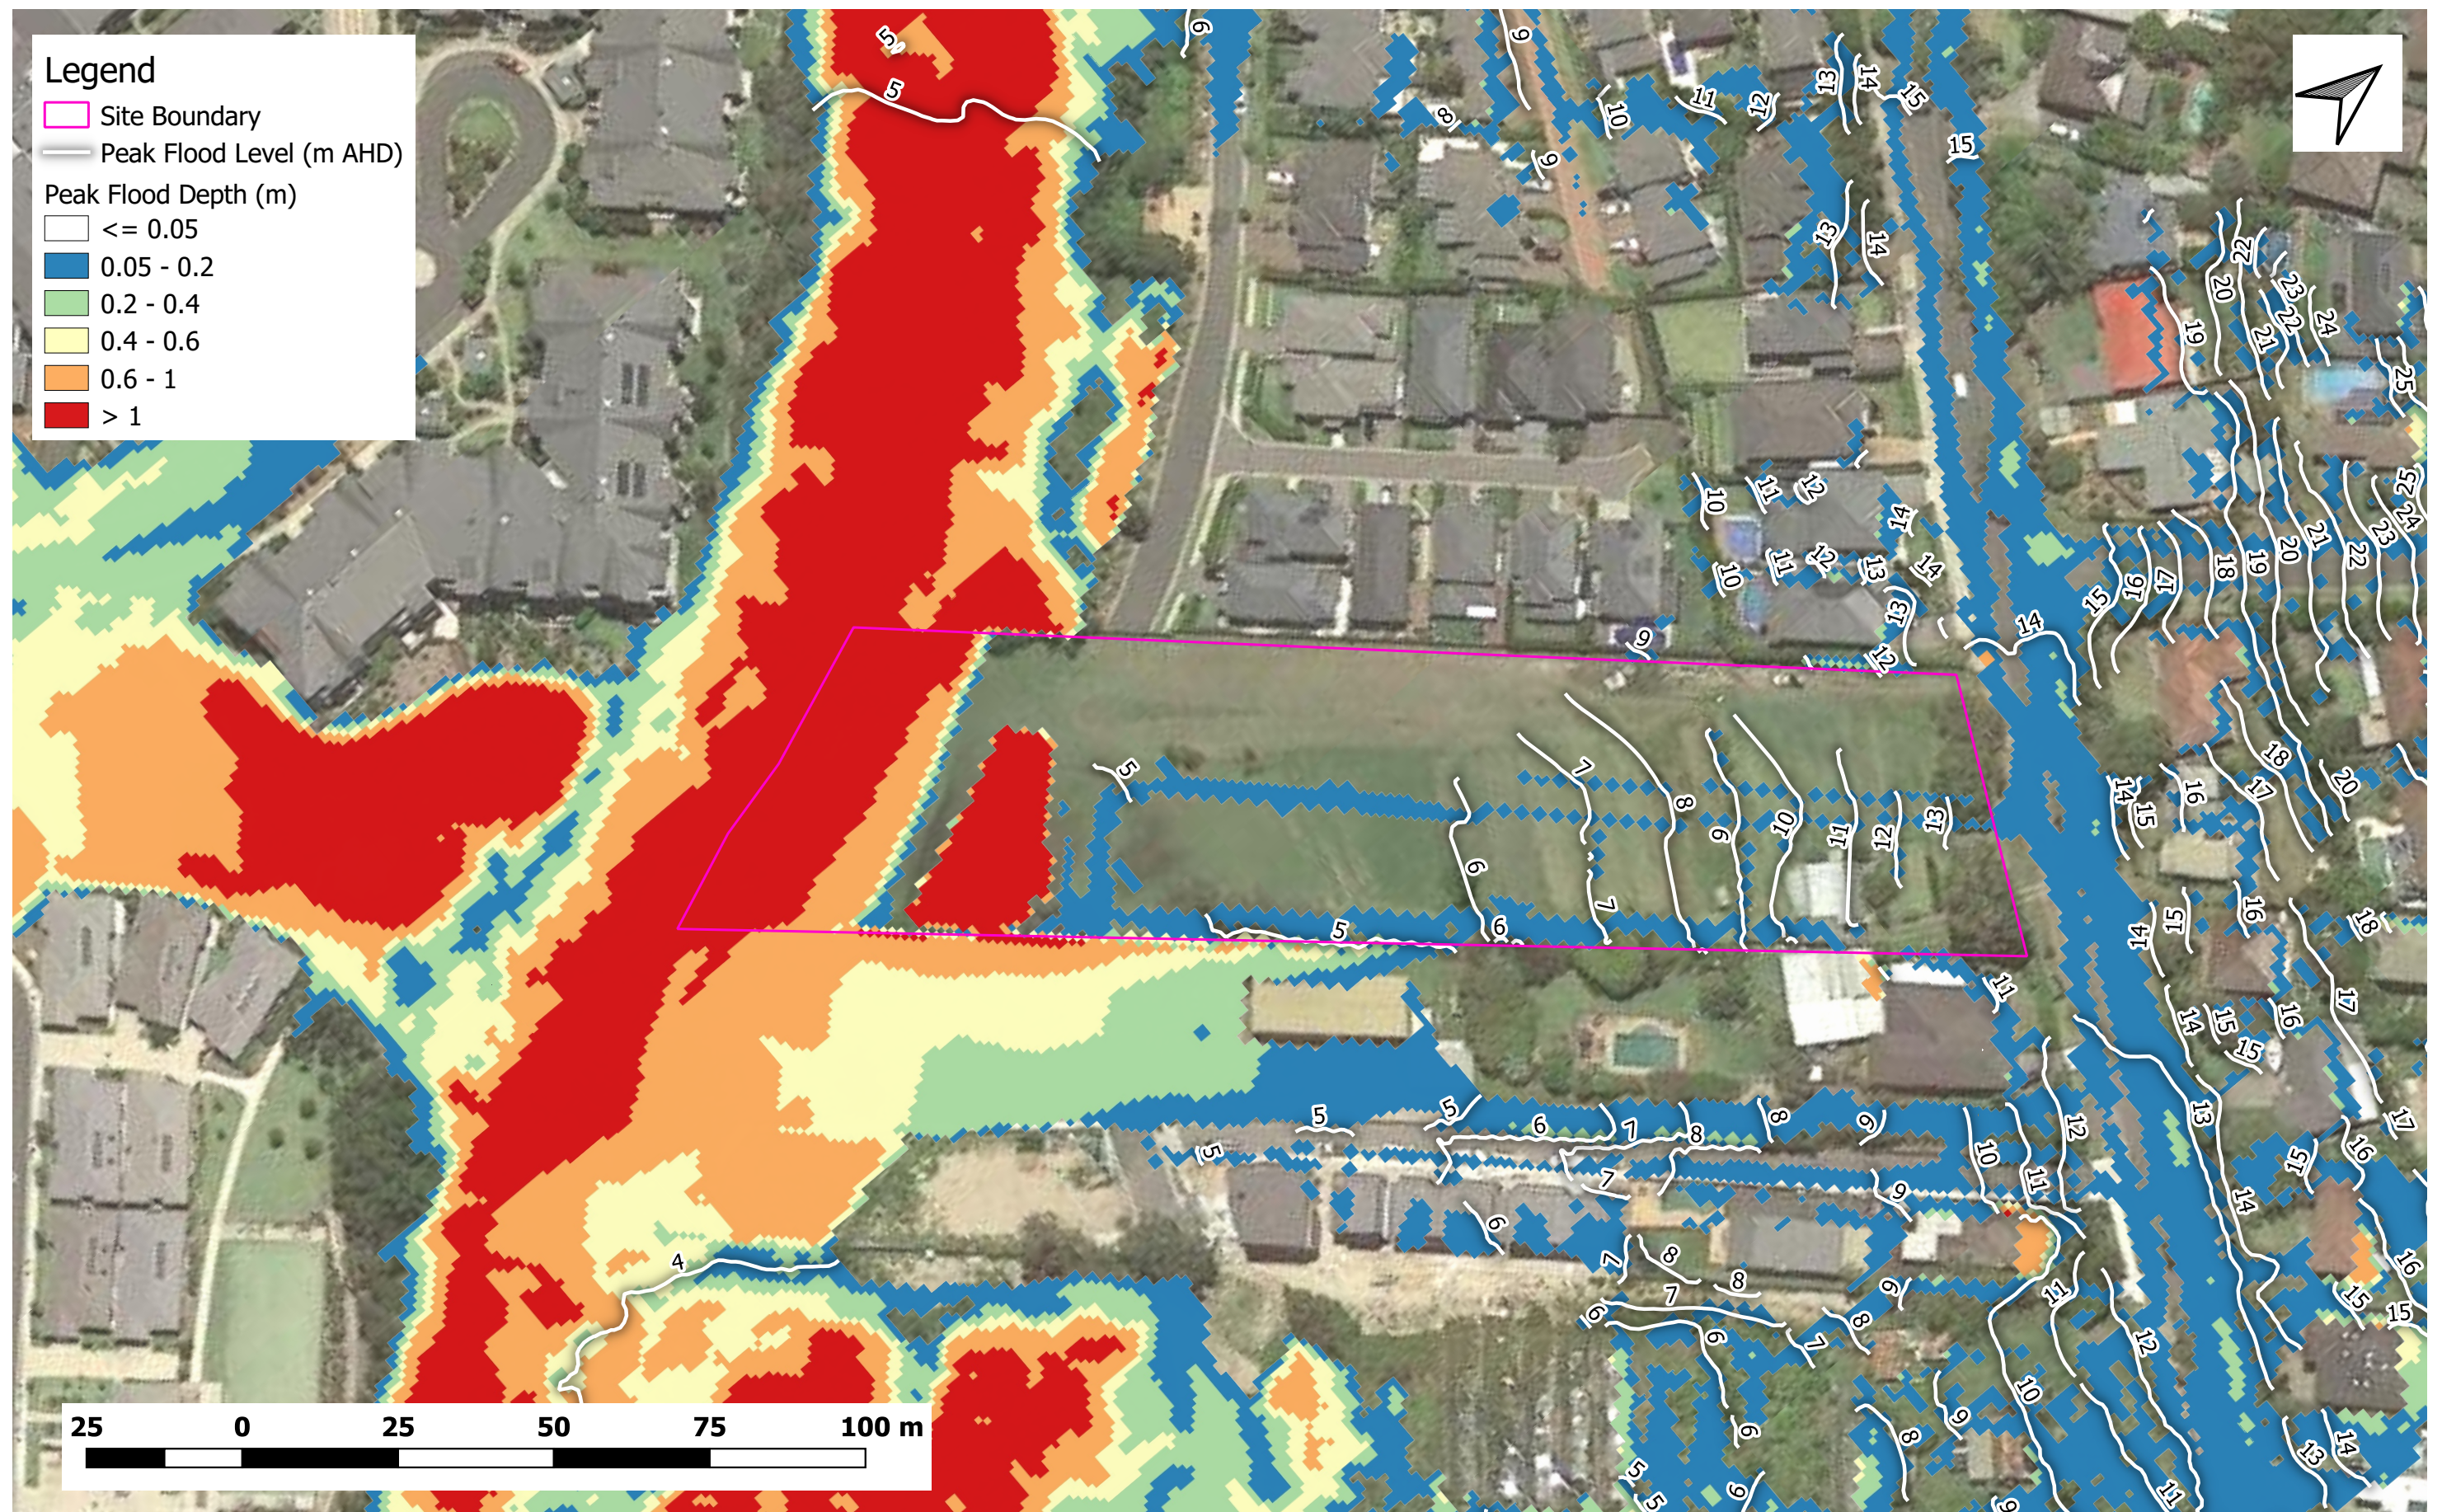

**Figure B7 - Proposed Condition
Peak Flood Depth and Level (20% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

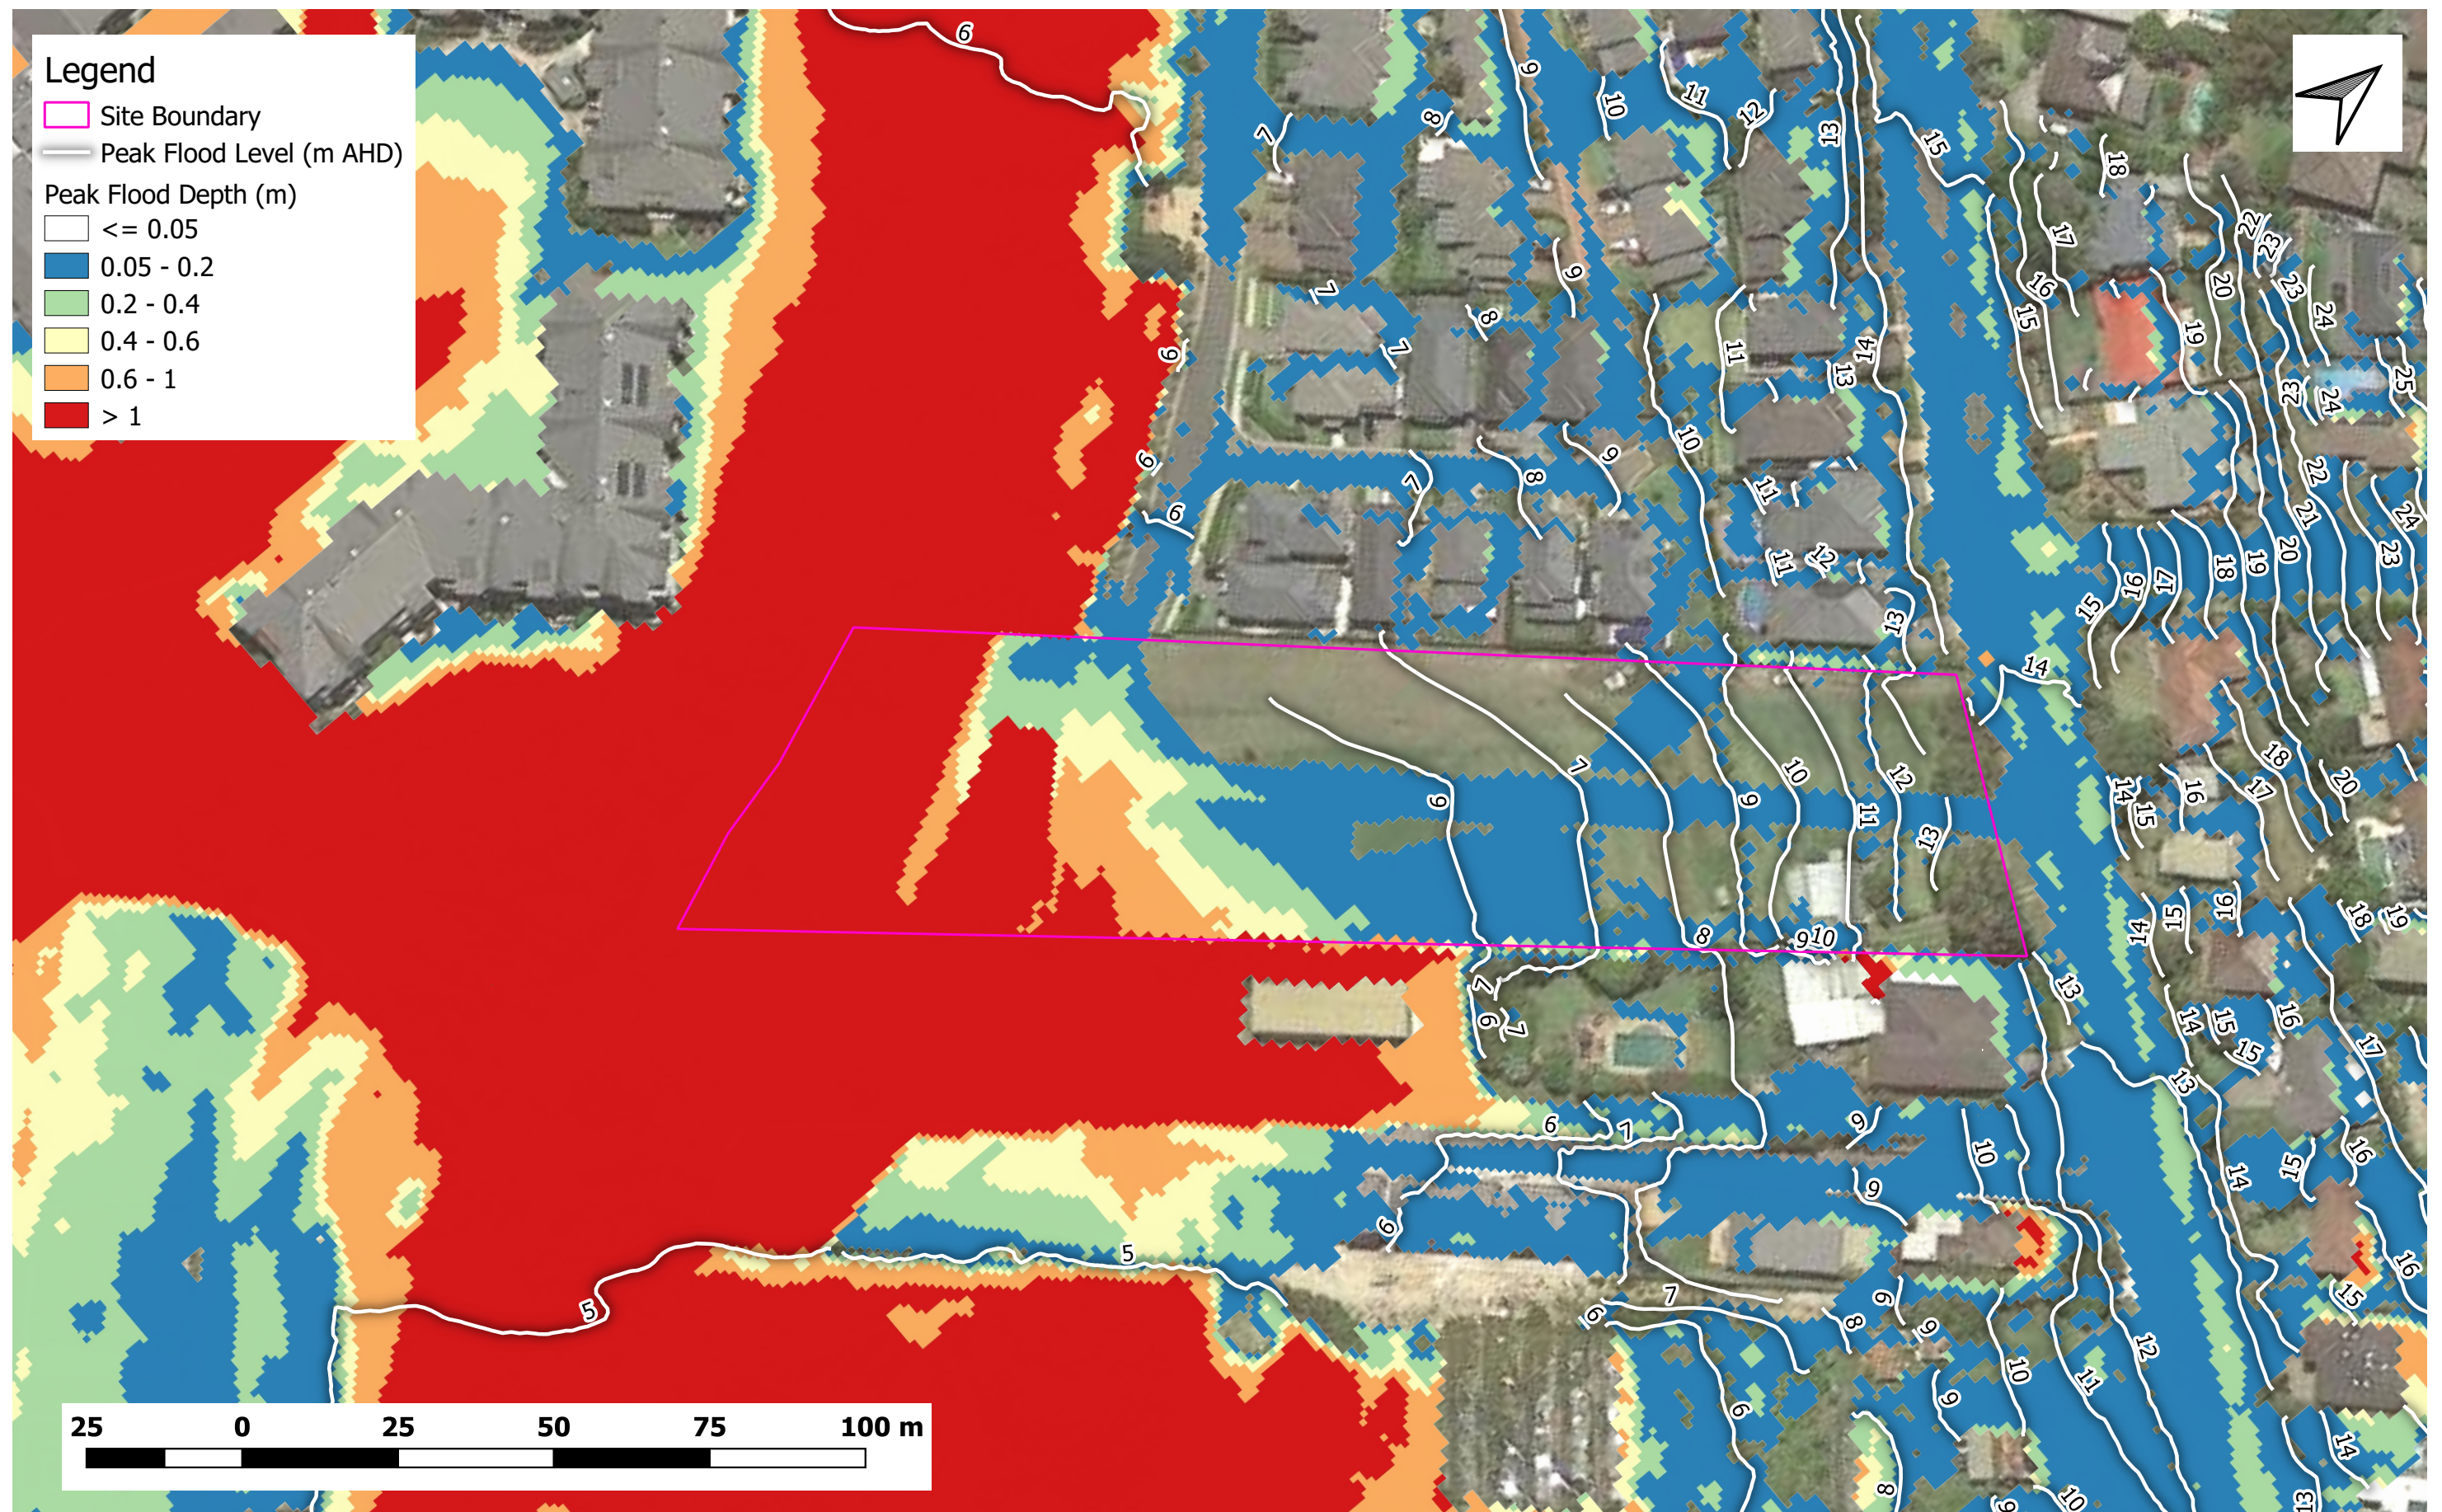

**Figure B8 - Proposed Condition
Peak Flood Depth and Level (1% AEP)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.

Title:

**Figure B9 - Proposed Condition
Peak Flood Depth and Level (1% AEP with Climate Change)
53A Warriewood Road, Warriewood
Project Number: 434-20**

Storm endeavours to ensure that the information provided in this map is correct at the time of publication. Storm does not warrant, guarantee or make representations regarding the currency and accuracy of information contained within this map.
