RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

This Telstra tower is vital to the people of the Dardanelles at War Vets, Narrabeen as there is no internal reception of any kind in any of the villas for mobile phones. As people will realise, most communication is by mobile phones these days and some people are even choosing not to have a landline. For people living on their own its fundamental to their well-being and safety to have their mobile phones functioning at all times. It is taken for granted these days that mobile phone reception is a matter of course. Telstra is the leading supplier in the market and the benefits to all are unquestionable.
