RE: DA2022/0246 - 120 Prince Alfred Parade NEWPORT NSW 2106

We would like to submit a request for removal of the figs located in Florence Park, Newport. We are worried about the growth of the roots for safety reasons - first of all the nearness to the road and having to bypass safely when walking to the park. Secondly, with the huge rains we continue to experience, we are worried that the roots will get into the stormwater drains and cause damage to our park and the waterway.
