**Subject:** 29 Moore road application

Att. Adam Cross. Hi Adam I am a resident of Undercliff Road. My husband and I are very concerned about the application for more bars and the recording studio and outdoor speakers. We are elderly and I couldn't do this any other way so would appreciate a reply as this is very important to us. The hotel is situated in a residential area, at the moment we can deal with the present level of noise but any more would be very invasive. Also as the area is residential there is very little parking  
Thank you for your attention
