RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093

Hi Team

Having kids at BHPS already for the past 6 years and dealing with the congestion already through that street, I can't see how adding more cars is the right thing for the community as a whole.

Lewis street is already narrow so it can be tricky as it is, especially with boat trailers parking at the southern end.

Adding more car volume to that area doesn't make sense from a safety perspective. You'd almost need another crossing for infants near number 11.
Not all parents will wait for a car stacked to pop up again etc

I just can't see how adding more moving cars or parked cars in Lewis street is the way to go.

I object to this application.
