**RE: DA2021/2600 - 49 Warriewood Road WARRIEWOOD NSW 2102**

This development needs to have their own access to Warriewood Road!

We own 21 Bubalo St Warriewood. Most families living in Bubalo St are young families with young children. We don't want all the outside traffic to go through our narrow street. It's not safe for us.

It doesn't make any sense that the new development (apartments and houses) can't have their own access to Warriewood rather than driving through our community. Our safety and privacy will be not protected.
