RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

I feel we don't need another gym, if anything we need more parking and shopping, maybe a target, a fruit and vegetable store, etc I'm not completely oppsed to apartments but 51 seems excessive in such a small pocket. There is already enough traffic congestion weekdays and worse on the weekends with sports. I feel like the road infrastrucurer can not carry the weight of 51 units. Too many accidents waiting to happen and children are all over the place too risky..
