DELETE

Important Information

This letter should therefore be read in conjunction with DA2020/0819 dated 13 October 2020

In a merit consideration of the proposal, consideration of the development has been given against the Land and Environment Court Planning Principle in relation to The extent of demolition - alterations and additions or a new building detailed in Edgar Allan Planning Pty Limited v Wollahra Municipal Council [2006] NSWLEC 790 as follows:

Will the development result in an alteration to an existing by more than half (50%) of the existing external fabric of the building is demolished? (Note: The area of the existing external fabric is taken to be the surface area of all the existing external walls, the roof measured in plan and the area of the lowest habitable floor)	No
Is the development considered to be Alterations and additions; or	No
Is the development considered to be a new building	No

Please note that on site works cannot proceed unless a Construction Certificate application for the modified proposal has been lodged with and approved by Council or an accredited certifier, and relevant conditions of the Development Application have been carried out.

Right to Review by the Council

You may request Council to review this determination of the application under Division 8.2 of the Environmental Planning & Assessment Act 1979. Any Division 8.2 Review of Determination application should be submitted to Council within 3 months of this determination, to enable the assessment and determination of the application within the 6 month timeframe.

Right of Appeal

Section 8.10 of the Environmental Planning and Assessment Act confers on an applicant who is not satisfied with the determination of the Consent Authority a right of appeal to the Land and Environment Court within 6 months of determination.

NOTE: A fee will apply for any request to review the determination.

Signed

On behalf of the Consent Authority
