**RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107**

202 Whale Beach Road,  
WHALE BEACH NSW 2107

Dear Sir/Madam,

RE: REV2021/0034: 231 Whale Beach Road, WHALE BEACH

We have reviewed the revised plans for the above development and while we acknowledge that the Applicant has made some amendments to the original Development Application we respectfully request that height poles are erected at the Northern and Southern elevations of the proposed development in order that the adjoining neighbours and the broader community are able to accurately determine the impact of this development.

At present the height poles are for the previously submitted Development Application.

Thank you for your consideration of this matter.

Kind Regards,  
Virginia & Gerald Stack
