Construction Traffic Management Plan (CTMP)

Project and Site Address: 30 Rayner Road, Whale Beach

Prepared By: J Group Projects Pty Ltd

Date: 31 March 2025

1. Purpose

This CTMP outlines the anticipated construction traffic movements, and safety measures for truck access **during the excavation phase of works.**

2. Site Access

- Construction access will be via [Insert Access Street/Road Name].
- Clear signage and traffic control will be used as needed during truck movements.
- Site gates to remain closed when not in use.

3. Truck Movements

- **Estimated Movements:**
 - Up to 10 truck movements per day during excavation
 - Movement frequency dependent on excavation pace and material removal
- **Type of Vehicles:**
 - 10m³ tip trucks and a 5T excavator float
- **Delivery Times:**
 - Between 7:00am – 3:30pm, Monday to Friday
 - No weekend or after-hours deliveries
- **Intended Road Access**
 - Access via Rayner Rd
 - Trucks to use Whale Beach Rd as an exit

4. Site Access

Vehicular site access will be via Rayner Road, trucks are to enter and exit the site in a forward direction only. Trucks are not allowed to reverse into the site from the road, unless specific approvals is sought and approved by Council

5. Mitigation Measures

- Spotters used for reversing and tight manoeuvring
- Dust control measures on unsealed areas
- Wheel wash and/or street sweep as needed to keep public roads clean
- Noise kept to a minimum
- Ongoing communication with neighbours
