RE: PEX2022/0001 - 12 Boondah Road WARRIEWOOD NSW 2102

3 Comments of great import -

1 - wildlife to be protected - the wetlands & environment requires very special governing restrictions to fencing/ corridors/ planning & especially restrictions clearly laid out on domestic animals as pets. There are precious small dark wallabies & badicoots etc that must be offered protection.

2 - Boondah Road will be a killing field as major rat-run it requires more chicanes & speed humps.

3 - ABSOLUTE NEED FOR FOOTPATHS - WHEELCHAIR & ACCESS
