**RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093**

I administer remedial services to a client at the beginning of Worrobyl St. I struggle to attain a parking spot on almost every visit. COVID and working from home has made this worse.

I also notice that the aerial photo provided as part of this DA has only one parking spot identifiable.

Bangaroo St is the main access road through North Balgowlah! It's already a nightmare to negotiate due to narrowness, primary school, collection of gyms and busy coffee shop. Are council now going to add to the congestion now at the midpoint of this road in between residential housing.

Seems like the community is against this proposal. I agree with the community's sentiment.
